P2 Class Newsletter

Mrs Morrison/Mrs Hamilton

October 2022

Happy October everyone! We only have two weeks left before the October holidays! Everyone has been working their 'socks off' in class and homework is off to a great start too! All the homework handed in so far is looking great!

Keep up the super work P2!

Numeracy and Mathematics

We have been doing lots of great work on Place Value, number ordering, addition and subtraction, as well as before and after.

Over the next few weeks we will be learning about arrays, doubles, how to partition numbers and word problems!

Literacy

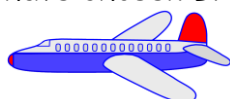

We have been doing lots of revision of Stage 1 and are now moving on to Stage 2 of the Active Literacy Programme. Over the next couple of weeks we will be learning our new sounds 'ay', 'ea' and 'y' through lots of different activities!

We have also been finding out about joining words, nouns and question marks, and how we can use these to help us in our writing!

Learning across the Curriculum

In our Holiday topic we have been preparing for our holiday themed day in class by finding out about the climates of the world and taking a vote in class to decide the theme of our day! We have chosen Brazil!

Here are a few pictures of some of our work so far!
