## P2 Class Newsletter

Mrs Morrison/Mrs Hamilton

### November

Mrs Morrison would like to say a big well done to Primary 2!  
During class and at P.E Primary 2 have been learning how to work as a team. They are doing this by working together to keep their groups tidy and ready, as well as learning team games during P.E.  
Keep up the good work P2!

#### Numeracy

We are continuing to learn about place value and addition and subtraction skills. We have begun to explore word problems in maths as well as Fractions! So far we have learned all about halves and quarters!

This term with Mrs Hamilton we will be learning about Surveys and Graphs.

#### Literacy

Before the October holiday we had been learning how to identify the beginning, middle and end of a story. We are now learning all about comic strips and how to create our own!

#### Learning across the Curriculum

At the end of last term we all went on our class trip to Brazil to end our Holiday topic. We all got on the 'plane' and lay on the beach, went to the carnival and made our own carnival masks!

We have just begun our new topic 'Houses and Homes, as well as learning about Hinduism and Judaism in R.E.
