

Darvel Primary School

P2 Class Newsletter

Mrs Morrison/Mrs Hamilton

January

Happy New Year!

A huge well done to all the Primary 1's and 2's for putting on a fantastic Nativity before the holidays for the whole school and our parents. Everyone worked very hard to learn the songs and rehearse their lines!

Numeracy

Over this term we will be focusing on Money, Multiplication and Division and Estimation and Rounding, as well as revision of previous topics.

Mrs Hamilton will be focusing on Measure, as well as Direction and Angles.

Literacy

Before Christmas we explored the structure of a letter and how to write our own letter. We learned how to write a letter to Santa and included what we would like for Christmas.

Over this term we will be learning how to write more non-fiction pieces, as well as how to visualise and describe settings and characters.

Learning across the Curriculum

This term we will be exploring Scottish Inventors, such as James Watt, John Logie Baird and David Brewster.

We will learn how important these inventors were and try our hand at creating our own version of their inventions!
