

P2 Termly Overview

Dalrymple PS & ECC

GOOD AT LEARNING... GOOD AT LIFE!

Numeracy & Mathematics

The concepts we will be covering this term are:

- Fractions (halves & quarters)
- Length, Weight, Volume & Area
- Probability

Science

During Science lessons this term we will be investigating:

- Living/Non-living things
- Senses/Sounds

Literacy

- The phonemes we will be covering this term include double letters (ss, ll, ff) and silent letters (kn, mb).
- We will be continuing with our imaginative/creative writing this term, with the main focus being on the structure of our writing and incorporating connectives (and, but, because) to give more information.

Health & Wellbeing

Within Health & Wellbeing we will be focussing on the following aspects this term:

- Sexual Health (more information to follow about this)
- Parenting

We will also be continuing our PATHS lessons where we will focus on different feelings and how we behave when we feel these particular feelings.

French

During our French lessons we will be learning vocabulary within the topics of:

- Family & Pets
- Clothes

PE

During our PE lessons this term we will be learning skills for:

- Running/Throwing/Jumping
- Outdoor Games
