

P3 Term 2 Overview

Dalrymple PS & ECC

GOOD AT LEARNING... GOOD AT LIFE!

Numeracy & Mathematics

The concepts we will be covering this term are:

- Rounding
- Addition & Subtraction
- x2, x4 and x8 times tables
- Position & Movement

Science

During Science lessons this term we will be learning all about:

- Electricity

Literacy

- This term we will be expanding our knowledge of sounds within the English language and what letters are used to represent these sounds.
- The writing focus this term is Functional Writing. We have started using the highlighters in the colours to match our core targets (Punctuation, Openers, Connectives, Vocabulary) and we will continue to use these to improve our writing.

Health & Wellbeing

Within Health & Wellbeing we will be focussing on the following aspect this term:

- Substance Misuse

We will also be continuing our PATHS lessons where we will focus on different feelings and how we behave when we feel these particular feelings.

ICT

During our ICT lessons this term we will be continuing to use email, before looking more closely at the features of Word documents.

French

During our French lessons we will be learning vocabulary within the topics of:

- Personal Information
- Colour

PE

During our PE lessons this term we will be practising skills in football and joining with P4/5 for Social Dancing in preparation for our Christmas Party.
