

## Personal Research Project (will take a couple of days to do)

*Pick someone famous who inspires you, for example;*

- A dancer
- A tv personality
- A footballer
- An author
- A musician
- A comedian
- A YouTuber
- An actor
- ....it doesn't matter, it's your choice!

### Session 1

Research the person's life.

Find out;

- When they were born
- Where they were born
- What life was like growing up
- What made them choose the path they've taken in life
- What struggles they had on the way to success
- What their greatest achievements are
- What the future holds for them

### Session 2

Using the notes you have written, re-write them into an Information Report.

Your report should be in 4 paragraphs;

1. A short introductory paragraph (3-5 sentences) outlining the person you are writing about;
  - a. Who they are
  - b. When they were born
  - c. Where they were born
  - d. What they are best-known for
  - e. (And maybe why you have chosen to write about this person)
2. A paragraph on their early years and how they got into their chosen career.
3. A paragraph on the challenges they've faced on their way to the top.
4. A paragraph on their successes and achievements
5. A final sentence or two that suggests what the future might hold for the person

Use the attached marking criteria to score yourself – are you working at first level or second level?
