

Points to note:

- ☺ P.E. will be on a Monday and Thursday
- ☺ Outdoor Learning will be part of our week so make sure children have suitable shoes and a waterproof jacket.
- ☺ Spelling homework will be issued on a Monday
- ☺ Digital numeracy tasks issued weekly

Interdisciplinary Learning

For the first couple weeks, P7 are learning about Japan with a focus on exploring the ancient Japanese faith Shinto

As part of our whole school Farming Topic, P7 will be learning about the Future of Farming, with a STEM focus. This includes:

- Working cooperatively to complete STEM tasks
- Problem solving
- Showing creativity

Digital Learning

Children will continue to develop their skills using Microsoft Teams and OneNote.

A message from Miss White

Welcome back everybody; I hope you all enjoyed your summer holidays. I am really excited to be working with P7 this year

Primary 7 – Miss White

Term 1

Language and Literacy

Reading

This term we will be reading "Harry Potter and the Prisoner of Azkaban". The children will use our reading strategies Prior Knowledge/Prediction, Metalinguistics, Visualisation, Inference, Main Idea and Summary to develop a deeper understanding of the content being read in class.

Writing

There will be weekly focus on spelling. The children will complete tasks which improve spelling strategies.

The children will have the opportunity to write in many different genres through our topics, however our focus will be on discursive writing and narrative. As with all pieces of writing, children will continue to work on their Tools for Writing. Children will take part in Peer, Self and teacher led marking and will be encouraged to act upon next steps to help them improve their writing.

Health & Wellbeing

This term we will be continuing to look at the UNCR. We will also be using the cogs of Emotion works to analyse characters within our class novel.

Numeracy

This term, we will extend our knowledge and skills across a wide range of numeracy concepts including: place value with numbers up to 1,000,000, estimation and rounding, addition & subtraction to four digits, multiplication, division and Order of Operations.

Digital numeracy tasks will be uploaded to Teams to reinforce class learning. Children are encouraged to complete these.

Useful Websites

[Sumdog - Home Learning](#)

Number Talks

We will continue to work on our 'Number Talks' programme. Number Talks enhances mental agility across the following four number operations: addition, subtraction, multiplication and division. Children are encouraged to articulate their thinking, explaining their chosen strategy.

Mr Anderson

Maths - Angles, symmetry and co-ordinates.

Mr Anderson will also be focusing on technology tasks and French this term.

Mr Anderson will take P7 PE this session.

Learning Journals

Children will continue to upload their learning to their Learning Journals. This will also be where the children will share their targets.
