

New Cyber Resilience and Internet Safety Special Recognition Badge

What is CR-IS and what do schools need to know:

- ✓ CR-IS is a Special Recognition Badge for Cyber Resilience and Internet Safety
- ✓ This is the first initiative of its kind to be delivered in Scotland
- ✓ CR-IS has been designed to provide education professionals with the resources and support required to help pupils safely navigate the digital world
- ✓ The framework has been developed by Digital Schools Awards in partnership with Education and is supported by Scottish Government, Child Protection Unit & Police Scotland
- ✓ CR-IS is open to both primary and secondary schools
- ✓ Participation is FREE
- ✓ Schools can apply for CR-IS without going for The Digital Schools Awards or it can be done in conjunction with their application to become a Digital School
- ✓ There are the four steps in the programme:

Registration

Self Evaluation

Validation

Award

- ✓ All questions are compulsory; however documentation or evidence may cover many statements. You are not required to upload evidence for every statement. All evidence will be reviewed prior to the validation visit.
- ✓ Schools can register online at www.digitalschoolsawards.co.uk/user/register . If your school is already registered simply log-in, go to the My Self Evaluation Menu and select Special Recognition for Cyber Resilience and Internet Safety.
- ✓ Email info@digitalschoolsawards.co.uk for help/further information
