Volleyball Success

The senior volleyball teams played at the national festival last week in Motherwell. Considering it was their first tournament they did a brilliant job; they beat more established volleyball schools and competed against players from the Scottish U18 national teams. Both teams ended up in 3rd in their pools and there were stand-out performances from Lewis Fitzpatrick, Melissa Graham and Erin Sinclair.

Big thanks to Mr Houston for driving the minibus and providing the tunes!

Higher Chemistry

Last week Higher Chemistry pupils were extracting caffeine from tea. Mrs Bremner thinks if you watch how this is done, you'd never reach for another cup of decaf again!

Enterprising Crafters

The lunchtime Craft Club is well underway with producing another batch of Christmas decorations which will be for sale in the next few weeks.

Trig or Treat

Advanced Higher Maths pupils enjoyed their Saturday Halloween last week. Maths, food, sun-tubing and plenty of appropriate outfits! #responsibility

ENTERPRISING HALLOWEEN

Last week, there was a staff Halloween party. To be allowed in, teachers had to pay a donation to the pupils of the Enterprise Group who are raising money for their business as part of an interschool Enterprise Competition.

ENTERPRISING HALLOWEEN

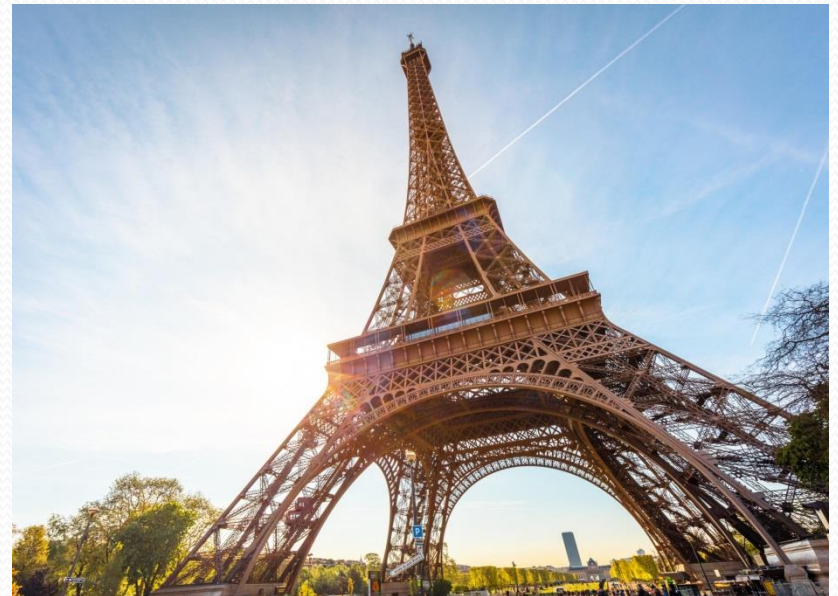

A big thank you to the teachers of the Art Department who are always so creative and motivating when it comes to organising staff events.

Best of luck to the senior Enterprise Group!
