

# GRANGE ACADEMY BULLETIN

27<sup>TH</sup> MAY 2019

# BETH

Well done to Beth Speirs, S3, who is one of Grange's most experienced young dancers. Beth recently participated in a masterclass with Louie Spence and with the Dane Bates Collective.

# JONATHON

Congratulations to Jonathon Downey, S2, who won the Ayrshire Orienteering Championships last week. He was given a special mention by the organisers for how fast his time was.

# DUKE OF EDINBURGH

Congratulations to the 83 pupils who completed their bronze Duke of Edinburgh expedition last week. Each and every one of them demonstrated the school values. It was wonderful to see everyone taking responsibility for themselves and others.

Thank you to Mrs McGregor and her team of expedition leaders for giving up so much personal time to accompany pupils.

# COAST

As part of their Duke of Edinburgh expedition, 83 pupils visited Arran Coast last week to learn about marine protected areas and marine conservation.

# ROCKET SCIENCE

In Science last week, pupils were launching rockets! James's ninja rocket flew over 60 metres!

# BIOLOGISTS IN THE SCHOOL GARDEN

Last week, some of our young biologists were in the garden practising sampling techniques.

# ATHLETICS

Last week's athletics day in the PE Department was a fantastic success. There was an amazing turnout and some cracking competition.

Pictured are our bronze, silver and gold winners.

# GRANGE ATHLETICS CHAMPIONS

Congratulations to this year's school athletics champions!

They are: L Mitchell, A Cook, J Downey, M Conoboy, B Dunlop, G O'Connor and V McDowall.

# BEAUTY AND THE BEAST

Well done to the school show cast who provided some of the entertainment at the launch of a new local charity called Crosshouse Children's Fund. They performed a medley from Beauty and the Beast.

(Do you have your ticket yet?)

## UNDER 13S

Last week the U13s football team won the Ayrshire Cup after a great game against St Matthew's. The S1 team has been tremendous this year and have been a pleasure to watch.

# LEARN 4 WORK

We are grateful to all the employers who provided such an excellent experience for our pupils during Learn4Work last week.

Thank you to Miss McBride and her team for organising such a great event.

# MY WORLD OF WORK

It was great to see our team of My World of Work ambassadors helping SI pupils to register with the programme last week.

Great teamwork - and lovely to see pupils supporting pupils.

# LONDON 2019

Message from Mrs Pohler:

Only 2 weeks to go! Last meeting will be at the start of lunchtime tomorrow (Tuesday 28th). Please come down to the P.E. Department as we will finalising hoodie and meal orders. If you are unable to attend, an order will have to be submitted on your behalf and you might miss out on your hoodie.

See you then!

# TALK A GOOD GAME

All pupils involved in the #TalkAGoodGame football tournament on Wednesday, please see Mr Houston at interval today in F056.

# PRE-ORDERING YOUR LUNCH

In last week's bulletin there was an explanation of the new system for pre-ordering your lunch. Pupils using this are finding it works well. Please note:

- If you go off campus for lunch you can still use the service and take your lunch away with you – items often cost less than they do at local shops.
- Canteen staff will put up a note of what the Daily Special is each morning.
- Remember, the system is open in the morning before Period 1 for you to place your order.
- If you need your finger print retaken, please see Mrs Crawford.

HAVE A GREAT WEEK, GRANGE.

Work hard.

Be kind.
