

Grange Academy Bulletin

17th January 2020

Beth

Beth Speirs, S4, recently attended her 4th dance Masterclass with Louie Spence. She was selected as one of the stand out dancers and was chosen to be part of the final performance of the day.

Junk Kouture

Look at this phenomenal creation by Beth and Kayleigh! This is the Grange Academy entry to this year's Junk Kouture Competition.

The theme is childhood toys – a jigsaw dress, with lego shoes and a Barbie headband!

Pila 2020

A group of skiers spent a great few days on the slopes in Italy last week with the P.E. Department. There were some pretty impressive skills on display from the pupils – the teachers, not so much...

Litter

The littering behaviour of a significant number of pupils continues to be deeply disappointing. It is bizarre to choose to make your own environment dirty and unpleasant. It is selfish and lazy to expect other people to clean your mess. Come on, Grange – we're better than this.

Foodbank Friday

- * Last Friday of month every month.
- * One item per pupil per month would be amazing, if you could manage.
- * If you are not able to manage this – don't worry! No pressure.
- * There is a box in the library for pupil donations.

Respectfulness in the Library

- * For the next few weeks, Miss Cooper will not be opening the library in the morning before school. This is due to the behaviour of some pupils who have been refusing to follow the rules.
- * Apologies to the pupils who DO follow the rules. There will be another notice in the bulletin when the library will be opening before school again.

Pathway Choices

If you are in S4 or S5, you will be meeting with your Pastoral Support teacher soon to discuss your pathways for next session.

In advance of your meeting, please read the booklet and have a discussion with your parents and carers. The booklet is on the school website.

HANZI MASTER

Interhouse Chinese character Competition

- Open to all S1-S6 pupils
- You will have 10 mins to study 30 Hanzi (Chinese characters), then you will have a quiz of 10 Hanzi.
- The scores you earn will add up to your house points.

24th – 27th February

Lunch 1:30 – 1:50 @ G150

Florida STEM Trip

- * There are 10 places available to current S4 pupils!
- * The total cost of the trip will be £1970 which includes all travel, activities and most meals.
- * In order to secure a place, a non-refundable deposit of £250 is needed by Friday 29th May 2020 made through ParentPay system.
- * I would like to invite interested pupils to attend a meeting at lunchtime in Dr Murray's classroom on Monday 2nd March where I can provide a detailed itinerary, further information and will answer any questions you may have.

Have a Great Week, Grange

Work hard.

Be kind.
