

GRANGE ACADEMY

APPS FOR ONLINE LEARNING

MICROSOFT TEAMS

Microsoft Teams is a collaboration space available through Office 365. We have access to this through our Glow accounts. Apps for tablets and smartphones are available.

Please find some guidance on how to log in to the apps using your Glow username and password

19:02   

Sign in using your work or school account.

gw10username@glow.sch.uk

Sign in

[Get help with signing in](#)

Your username is your Glow email address to log in. It should be in the format gw.....@glow.sch.uk

You must use @glow.sch.uk at the end for Microsoft to recognise it as an authentic address.

This will then pop up the Glow log in page – simply enter your username and password and you should be logged in.

The screenshot shows the Glow Sign In page. It has a purple header with the 'glow' logo. Below the header is a black box containing the sign-in form. The form has two input fields: 'Username or Email Add' with the text '@glow' and 'Password' with an eye icon. There is a checkbox for 'Remember my username'. A blue 'Sign in' button is below the fields. At the bottom of the black box, there are links for 'Forgotten your password?' and 'Need A Glow Login?'. Below the black box, there is a disclaimer: 'Only Glow users are allowed to access this service. If you do not have a Glow username and password then you may be committing an offence by trying to gain access to this service.' and a link 'Find out more about Glow'.

MICROSOFT ONE NOTE

OneNote is another Microsoft Collaboration space but gives individual folders for Each participant (only visible to you and your teacher). This can be easier for Submitting larger pieces of work or storing your own course notes etc

A very similar log in process. Your username is your Glow email address to log in. It should be in the format gw.....@glow.sch.uk

You must use @glow.sch.uk at the end for Microsoft to recognise it as an authentic address.

This will then pop up the Glow log in page – simply enter your username and password and you should be logged in.

A screenshot of the Glow Sign In page. The page has a purple header with the 'glow' logo. Below the header is a black sign-in form with white text. The form includes a 'Username or Email Add' field with '@glow' in the suggestion box, a 'Password' field with an eye icon, and a 'Remember my username' checkbox. A blue 'Sign in' button is at the bottom of the form. Below the button are two links: 'Forgotten your password?' and 'Need A Glow Login?'. At the bottom of the page, there is a disclaimer and a link 'Find out more about Glow'.

SATCHEL ONE / SHOW MY HOMEWORK

satchel:
one

Show My Homework has been renamed Satchel One and you may have seen your app update.

Search for your school
