

Grange Academy Bulletin

24TH AUGUST 2020

Exam Certificates

The SQA will be sending out updated exam certificates in the week beginning the 7th September.

If you have not yet spoken with Miss MacKinnon and wish to confirm whether you will receive an amended certificate, please e-mail her on Glow or see her in The Street at interval or lunchtime. Thank you.

Sanitary Products

Remember that we have a large stock of free sanitary products available to all. You do not have to ask permission to collect them – just help yourself. They are in one of the small rooms just up from the Guidance Base.

You can also order two months' worth of free products online – the link is on the Grange and East Ayrshire Twitter pages.

Ms McFarlane's Brass Pupils

If you are one of Ms. McFarlane's Brass pupils, please check your Teams page. Exciting updates coming soon!

S6 Leadership and Service

- Are you a first year who would love a sixth year pupil to sit with you in one of your subjects and help you with your work?
- Are you a fourth year who is finding a particular National 5 unit tricky and would like to be tutored by a sixth year who passed it last year?
- Are you a parent who'd like to propose a club, activity or event to be led by S6 pupils?
- Are you a teacher who'd like to offer work experience within the department to a hard-working sixth year?

S6 Leadership and Service

If so: some S6 pupils have GALS periods on their timetables. (This stands for Grange Academy Leadership and Service.) There are a minimum of ten seniors available every period, every day, to be of service to Grange Academy.

Put in your bids! Where could they be of service to the school?

There is a form on the school website through which you can bid for their time and service. We will carefully match your requests to the talents of the S6 pupils available. They are looking forward to hearing from you!

Celebrating our Achievements

If you have any stories or achievements that you would like to have featured in the weekly bulletin, please e-mail the school office (or see Miss MacKinnon) before Thursday each week.

We are always delighted to receive news from parents and carers about pupils' achievements outwith school too!

Have a great week, Grange!

Keep yourself and your surroundings clean.

Work hard.

Be kind.
