

# Grange Academy Bulletin

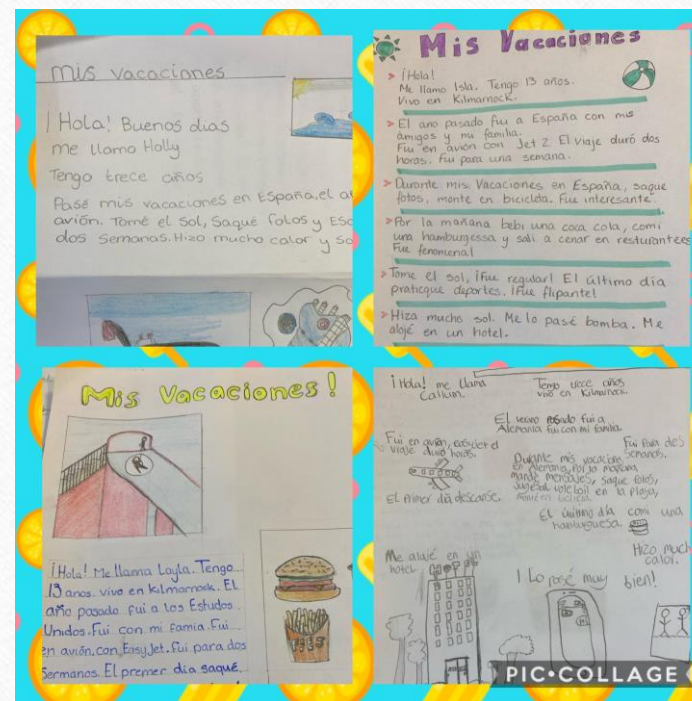

---

5<sup>th</sup> October 2020

# S2 Spanish

Pupils in S2 Spanish have been producing some high quality written work over the past week. Muy bien!

# S6 Leadership and Service

Thank you to all the S6s who were so well organised and helpful on school photograph days last week. Your service is appreciated.

# Maths Week Scotland

## Problem 1 - Strikers

Problem 1 is all about football and working out who scored what out of pairs of statements.

Maths teacher Chris Smith is here to help you tackle it.

## The challenge

We have been told that:

- McAnish and McBurnie scored 48 goals
- McBurnie and McClure scored 43 goals
- McClure and McAnish scored 57 goals

Use this information to answer the question:

How many goals did the strikers score individually? \_\_\_\_\_

Last week was Maths Week Scotland and Mr Smith had a lead role in the Depute First Minister's Challenge.

Pupils across Scotland have been having a go at maths puzzles then watching Mr Smith explain the solution.

# My World of Work Ambassadors

---

My World of Work is an incredibly useful website to use to introduce you to the realms of work, volunteering, apprenticeships and more. We are looking for current S3 pupils to become the school's ambassadors in promoting the website and training others in how to use it.

If you would like more information please speak to Mrs Williamson (Science) before the end of the week.

# Worry Box

A quick reminder that there is a worry box in the library. If anything is on your mind and you're shy to approach a teacher, pop a note in the worry box and someone will get back to you.

(Don't forget to leave your name!)

**WEAR A MASK**

**MY MASK  
PROTECTS YOU**

**YOUR MASK  
PROTECTS ME**

# October Holiday

---

The school is closed for the October holidays next week. We finish at the normal time on Friday 9<sup>th</sup>. Monday 19<sup>th</sup> is an in-service day and pupils return on Tuesday 20<sup>th</sup>.

Have a great break.

Have a Great Week, Grange

---

Work hard.

Be kind.
