## Pupil Views: exams

Thank you to Erin Black (S4), Christine Clermont (S5) and Andrew McDonald (S6) who will meet with pupils from the other East Ayrshire secondary schools to discuss the cancellation of exams with Mrs McAulay-Griffiths, the Head of Education.

If you have any views you'd like them to pass on, send them a Glow e-mail or have a chat with them at lunchtime.

## S4-6 Assessment Calendar

If you haven't already done so, please see your year group's Teams page for information about the January assessments.

In the New Year, all seniors will return to their normal timetable for one week, then study leave begins.

The assessments will take place in classrooms and you'll receive a paper copy of the calendar (with room numbers) in the New Year.
