

# GRANGE ACADEMY BULLETIN

---

22<sup>nd</sup> March 2021

# Eyes Pi

Congratulations to the winning Eyes Pi team, the Sherlock Skillens! Sophie is in S3 and Jessica attends Annanhill Primary.

Well done to runners-up, Team Rodger (Kate is in S3), and Team White (Jen is in S6).

Thanks again to Mr Smith for yet another PiDay triumph. You can read all about it here:  
<https://www.east-ayrshire.gov.uk/news/article/mr-smiths-eyes-pi-puzzle-hunt>

# S2 and S3 Mandarin

S2 and S3 pupils are registered with Mandarin masterclasses organised by CISS (Confucius Institute for Scotland's Schools) at the University of Strathclyde and Huadong Normal University. They have engaged very well with the videos and enjoyed presenting their learning in different ways.

Their work has been featured in the CISS Spring 2021 newsletter, which you can read here: [Spring\\_2021\\_newsletter.pdf \(strath.ac.uk\)](https://www.strath.ac.uk/~uk)

# Revision with Scholar

If you are in S4-6, Scholar is a useful resource. The video below explains what it can offer, including interactive course materials and automatically marked, end-of-topic and end-of-unit assessments for consolidation and revision.

# Please take personal responsibility for...

Keeping 2 metres between yourself and the people around you.

Wearing your face covering at all times unless you have a specific medical exemption.

Following the one way system.

Washing your hands with soap and using the sanitiser provided.

# Have a great week, Grange.

- Work hard.
- Be kind.
- Stay safe.
