

Grange Academy Bulletin

10th May 2021

Charlie T

Congratulations to Charlie Templeton who was a runner-up in the S.A.T.H. (Scottish Association of Teachers of History) Scottish Heroines Competition. His submission on footballer Rose Reilly was very well-received by the judges. This was a great achievement against stiff competition from schools across Scotland!

Charlie B

Congratulations to Charlie Boax who placed equal first in her class at the Ayrshire Music Festival. Charlie maintained her commitment to practising her instrument throughout lockdown.

Rhys

Congratulations to Rhys Keen who has successfully completed Level 2 Food Hygiene and Safety for Catering (with distinction!). This was part of the training at his part-time job. Well done.

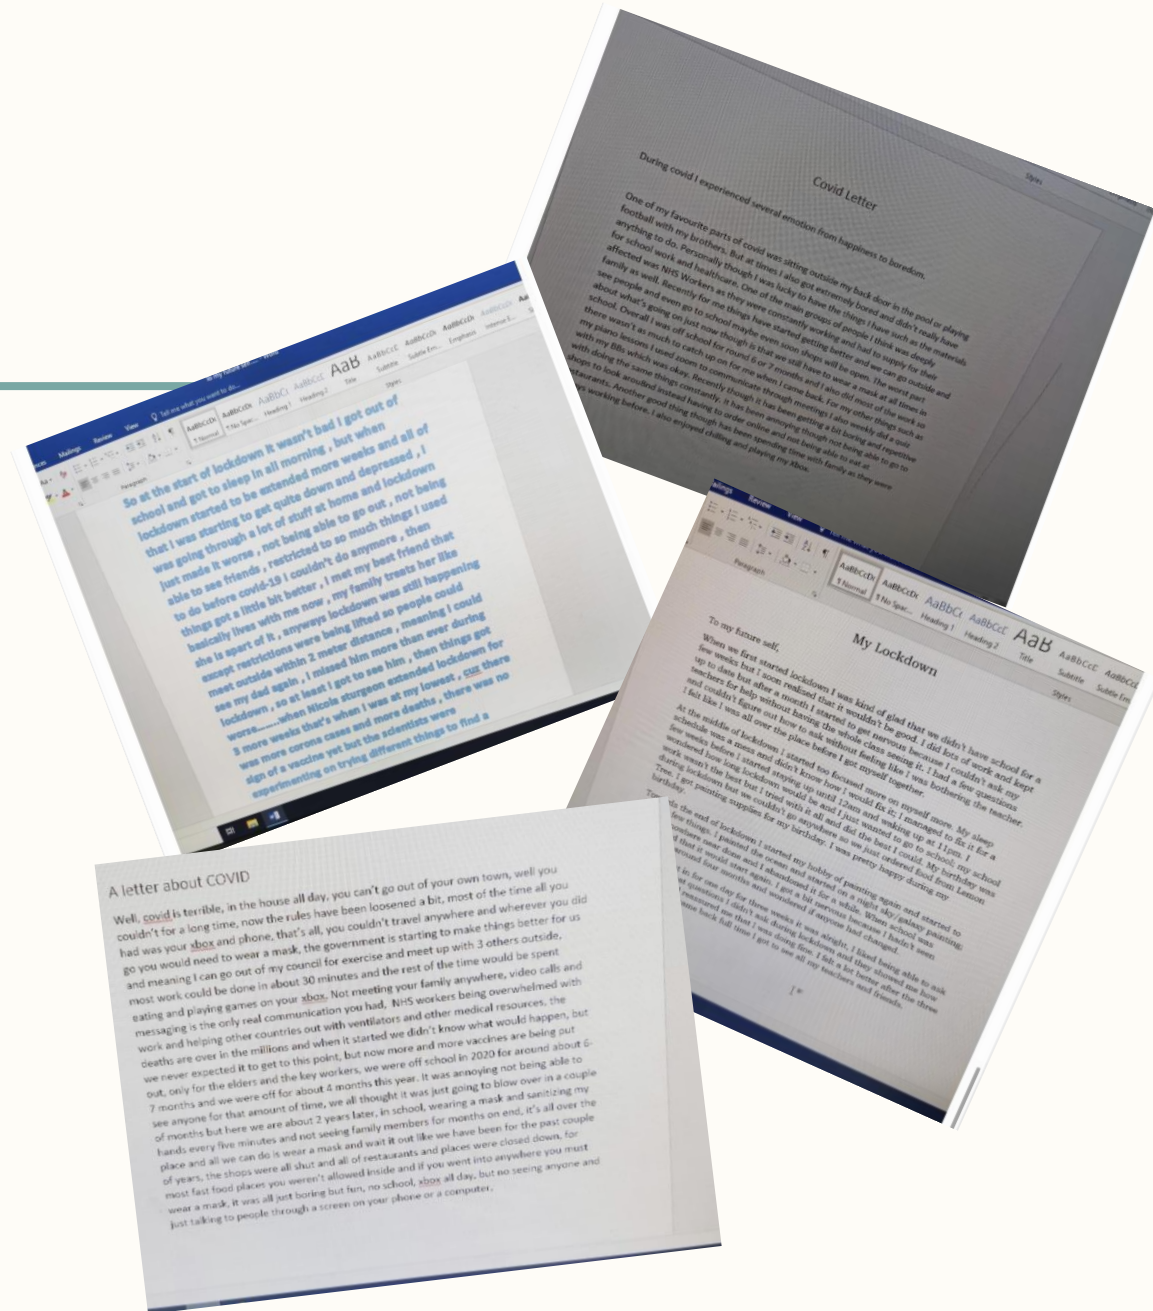

S2 P.S.E.

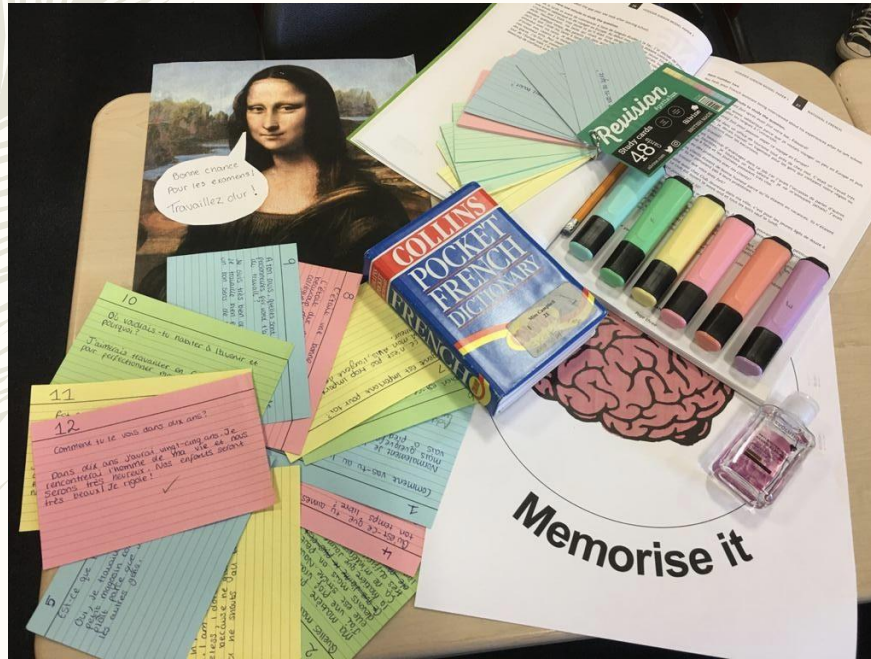

Mrs. Marshall's S2 PSE class have been writing letters to their future selves about life in lockdown.

#Reflection

#LiteracyAcrossLearning

National 5 French

Mrs. Jackson's National 5 French class has been using a range of study techniques to prepare for their speaking assessments.

S4-6: Study Skills in Science

The Science Department have been highlighting the benefits of using flash cards to help retain short pieces of information such as scientific terms and their definitions.

Quizlet is the free app used in the department if you prefer virtual cards - some sets are already made up for you - and you can use these to play memory games too before attempting past paper questions.

If you've been using physical flash cards and need more or a binder ring, please let your science teacher know and collect them from the department.

Mobile Phones in Lessons

Here is a quick reminder of school policy regarding the use of phones and earphones during lessons: you must put them away please. They are *much* more often an interruption to learning than a help. If you break this rule, expect your teacher to remind you of it and politely to insist that the item goes back into your pocket or bag. Using good manners, please follow the instruction without debate and don't make the teacher have to address it with you a second time.

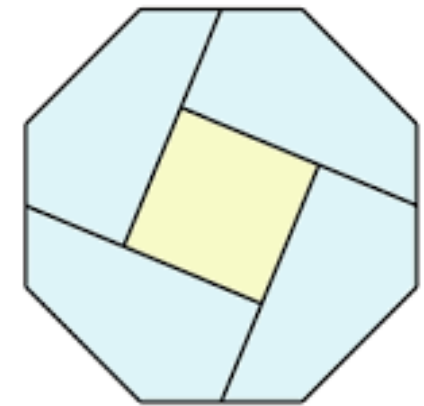

The exception is that there are certain moments when your teacher will let your class know that it's ok to use your phone if you have it with you. Examples are taking photos of resources, or the homework task; looking up spellings and vocabulary; accessing research on the internet; checking your class Teams or Satchel One pages etc. Thanks for understanding.

SMC Maths Challenge

Well done to everyone who participated in the 20/21 Scottish Mathematical Council Maths Challenge. The Grange Academy haul of awards was pretty impressive again this year! Well done!

Abby Lauchlan (BRONZE)
Tara Lauchlan (SILVER)
Kate Clermont (BRONZE)
Zainab Tufail
Max McMurdo
Ethan Chan (GOLD)
Mateuz Stomski (BRONZE)
Rebecca Dunsmuir (BRONZE)
Calum Stewart (BRONZE)
Cameron McGarey (BRONZE)

Mathematical
Council**

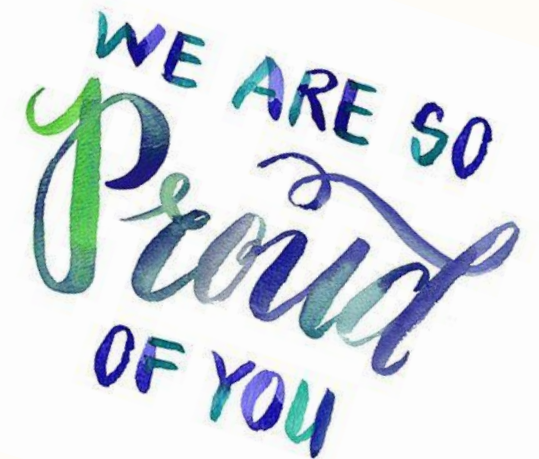

And speaking of Maths...

...Miss MacKinnon will be signing off from the Monday bulletin for the next few weeks and is delighted to welcome Mr. Smith as its author until the summer.

Expect a few puzzles along the way!

As ever, please don't be shy about sharing your successes and achievements with the rest of the Grange community, be they school-based or otherwise. Mr. Smith is looking forward to hearing from you!

WE ARE SO
Proud
OF YOU

Have a Great Week, Grange!

Work hard.

Be kind.
