Did you spot Mrs Hepburn got a mention in the Daily Record?

Scots art teacher battling Covid paints inspiring portraits of NHS heroes

Karin Hepburn paid tribute to healthcare staff who helped after she was struck down by covid.

There have been complaints from local residents with regards to Anti-Social behaviour at the back of the Rugby Pitches on Grange Campus. Pupils have been climbing on the roofs of garages, and throwing items such as sticks and bottles into gardens causing one resident's pet dog injury on more than one occasion. This is completely unacceptable behaviour. Sort it out.

PC McPike is monitoring the area which is also covered by CCTV. Any pupils caught will be spoken to by PC McPike and their parents notified. Pupils may also be subject to police charges should an official complaint be made.

Whilst the majority of our young people are good citizens it is disappointing that the actions of the minority can reflect so badly on everyone.

Miss McBride is very pleased to announce that these S3/S4 pupils have been successful in their application for the BAE Virtual Work Experience Programme. Pupils will be finding out about careers in the Maritime Naval Ships sector and will work through a series of online lectures, workshops and taking part in personal projects too.

New S4 Biologists and Environmental Scientists

This Thursday period 6 and 7 Mrs Marshall is looking for 10 pupils to come with her to Primary 5 at Annanhill Primary to help deliver a short presentation about plastic in our oceans.

If this is something you would like to do please give your name to Mrs Marshall in S028 tomorrow, Tuesday.

Names will be put into a ballot if there are over 10 pupils.

There's also a pretty exciting opportunity for you to volunteer to help out the NHS...

...as a HOST for the Saturday 12-2pm slot on HBSA Hospital Radio!

We've had students before who've loved this experience. You'll be fully trained and depending on how many DJs we recruit, you will probably be on a rota (so not every Saturday).

So, if you're in the new S5/6 and you're interested in learning how to operate a commercial radio station set up and try out your skills as a presenter then come and speak to a member of staff in Music.

Wait till you hear this story...

**Our own Kyra McAllister, S3,
may well have saved a life
recently!**

**Kyra saw a man alone in the
community who was in
significant medical distress,
phoned an ambulance and
stayed with him until the
paramedics arrived.**

WELL DONE, KYRA!

How many of the previous bulletin signs can you remember?

**How do you sign
“hello”?**

**How do you sign
“how are you”?**

**How do you sign
“thank you”?**

**How do you sign
“can I help you”?**

Memory test.

How many of the previous bulletin signs can you remember?

“hello”

“how are you?”

“thank you”

“can I help you?”

**And here's this week's new sign
for us to learn together:
"Sorry"**

**Close your fist.
Keep it against your chest as you move it round in a circle.**

It's been a tough few weeks for our senior students facing their end-of-year exam diet!

-to our students who impressed with their timekeeping, organisation, effort, attitude, conduct and manners - particularly given the challenges of this year. You're legends!

-to all the parents and carers who helped students prepare so well. Your support is vital!

-to Grange staff who delivered courses, marked exams, provided revision support and stepped in to comfort and reassure students who were nervous or panicking. What a team!

Although we were gutted that our local team, Killie, have been relegated it was great to see a familiar face giving his views on BBC's Reporting Scotland!

Maybe a future career as a football pundit beckons!

**As we approach the end of term,
we'd like to collect stuff to donate
to the local Foodbank.**

**If you're able to chip in a tin or
packet of pasta or some biscuits or
jam or something like this, it would
be amazing.**

**Please pass these items onto our
home link worker Mrs White (let's
see if we can top the 25 carrier
bags donated at Easter!)**

Mr Smith will tell you the second worst part of teaching is the sadness we feel when students who've been with us for years leave (even when they have exciting futures ahead we still miss them!).

Sinead Ritchie is leaving Grange Academy with a well-deserved "Head Teacher's Award" for her service to the school having supported many younger pupils in her role as a buddy over the years.

Congratulations, Sinead!

It was incredible to see Harvey Gilmour (new S5) getting his hands on the Champions League trophy last month.

Congratulations to Harvey's big brother, our former pupil Billy, on joining a very select group of Scottish players ever to win this European competition. WOW!
