27th September 2021

School Dux

We are delighted to announce that Amy Stewart, S6, has been awarded the Grange Academy Dux Medal for 2021.

In addition to her academic talent, Amy has demonstrated an exceptionally responsible and self-motivated approach to her studies.

Congratulations, Amy!

Scott

S1 French classes did so well on their check-ups of the basics last week! Well done to Scott who achieved full marks and has the certificate to prove it.

Rhys

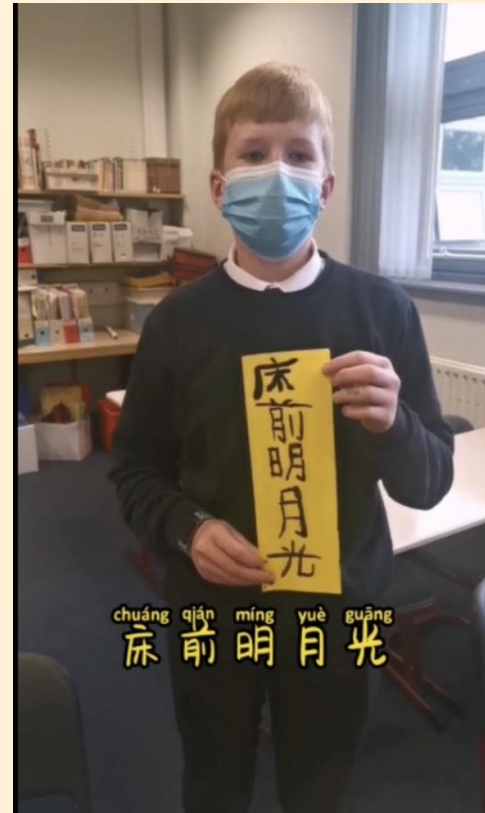

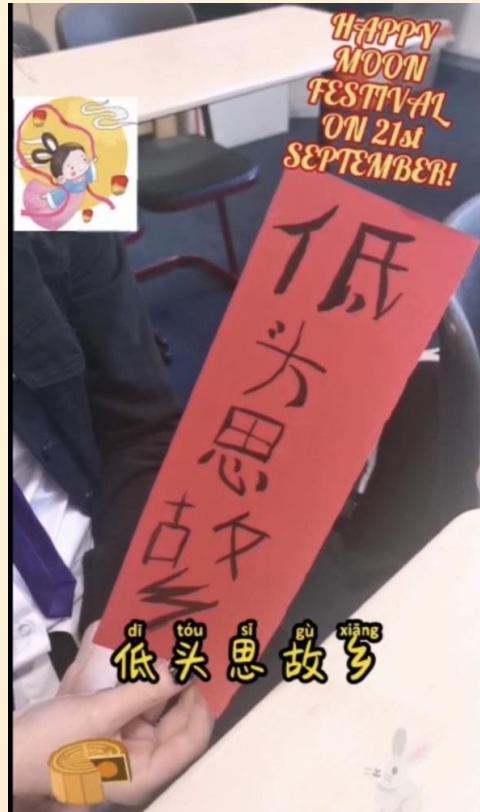

Well done to Rhys Keen, S6, who has been nominated for special recognition by several teachers.

He has demonstrated maturity and leadership during his Volunteering periods.

Thank you for your service to the school, Rhys.

Mid-Autumn Festival

Happy Mid-Autumn Festival from our senior Mandarin learners!

National 5 Music

Jye McCormick (S4) and Corey McLeod (S4) have been working together on their National 5 drum-kit programmes in preparation for their September performance recordings. Jye has been assisting Corey with reading drum notation. Both boys have worked extremely hard to complete a full National 5 piece on drum kit in a short space of time, demonstrating resilience, responsibility, and excellence. Well done, boys! #peerlearning

Laurie and The Two Aimees

Congratulations to Aimee Millar, Aimee Dudgeon and Laurie Finlayson who are now volunteering as radio presenters with Crosshouse Hospital Radio.

They have undertaken training and now they are writing and presenting their own two hour shows every Saturday!

S1 French

S1 French classes have loved playing 'Tick Me Quick' to revise key words and phrases. The competition was fierce.

Well done everyone!

Banned Books Week

In the library we're celebrating Banned Books Week! These are all books that were banned in the past because of weird and wonderful reasons... come along and see if you can figure out what books they are.

Borrow one of these amazing stories to celebrate the fact that they are no longer banned!

We are Allies

If you identify as transgender and would like to help make Grange an even more inclusive environment for trans people then we'd love to hear from you!

Please give your name to your guidance teacher or Mr. Alldridge.

The first group meeting will take in the library during period 7 on Thursday the 30th of September.

Mock Interviews

When we asked for your ideas about the new School Improvement Plan, some of you suggested formal mock interviews for seniors.

Grange, Kilmarnock and Stewarton Academies are joining together with a range of local business to offer a programme of mock interviews for pupils in S5 and S6. This week, your PSE teacher will show you the job adverts and explain more about it.

After you've had your PSE lesson on this, if you'd like an application form, please see Miss McBride.

Access to the Library

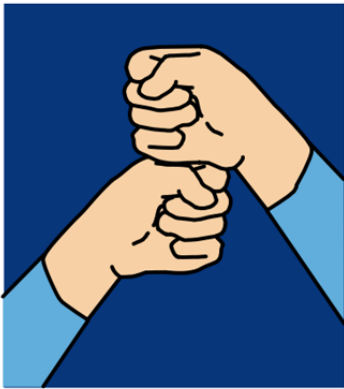

Miss Cooper would like to remind all pupils that the library is currently closed before school, and at interval and lunchtimes. The only pupils who have permission to be in the library at these times are pupils in 1P13.

You can come along to borrow or return books, but you can't stay for lunch or break!

When this changes, there will be another message in the bulletin to let you know.
