There are prizes to be won every day for the first 12 days of December!

Entries are just £1 a pop and you can get involved at any point between NOW and Friday 10th December.

Make sure to keep an eye on the Parent Council's Facebook page across the 12 days as we'll be sending out daily updates telling you if (and what!) you've won.

The best part? 100% of the money will be going back into the school to support our pupils!

**So why not spread a little festive cheer and nab yourself a ticket?
*'Tis the season of giving after all.***

There were some fantastic entries to Miss Cooper's competition to write the most exciting opening line to a story, but huge congratulations go to Brandon Fletcher and Rebecca Dunsmuir for their winning entries:

Rebecca: "As Sophie explained to me how important a fingerprint is in a crime scene, I couldn't help wondering how someone would have the guts to end all those innocent and desperate lives."

Brandon: "Running, wondering, hoping... all these emotions... Wondering if magic would get me out of this mess as it was magic that got me in, and it better be magic that gets me out."

The Higher Environmental Science class have been studying soils and got the opportunity to identify different soil types in the garden.

Remember to wear your masks when you're in the corridors or in class. And if you go out at lunch please be considerate and wear them in local shops too.

Former Grange Academy pupil Liam Morrison was featured in a BBC article recently about two young Scottish players trying to break through at Bayern Munich. You can read the whole thing here: <https://bbc.in/3CCPe9r>

But this paragraph really highlighted Liam's mental toughness and resilience:

“The duo have shown immense resilience to not only bounce back from serious injuries, but also deal with the stresses of moving abroad so young. Factor in a global pandemic - meaning a lack of social life and non-virtual family contact - and it's clear these boys are made of strong stuff.”

SI Literacy Adventure Day at Gowanbank

We all completed the Adventure Section of our Bronze JASS Award.

Skills we learned included knot tying, rope safety and belaying.

Whether we got one metre or ten metres off the ground we needed loads of encouragement.

**We learned to make
savoury and sweet
bread and bake it
on an open fire.**

**The s'mores
were the best!**

**We learned about
plants in the
woods that we
could eat.**

**Ground Elder
tastes like
Parsley by the
way!**

Here are some language superstars who got 100%. (YES, ONE HUNDRED PERCENT!) in their first Mandarin test.

Amazing.

Some of our seniors asked for this brand new feature in the weekly bulletin: looking at a different Right listed in the UN Convention on Rights of the Child...

Article 16 states:

“I have the right to keep some things private.

My letters, diary or phone calls should be private.

The law should protect me from attacks against my way of life, my good name, my family and my home.”

Our Advanced Higher English students attended a writing workshop with the author David Ross and spent the afternoon discussing best writing practice! #BookWeekScotland

Please think about bringing in stuff for the foodbank before Christmas.

They're really short of tinned puddings (custard, fruit, creamed rice etc) and also spreads (jam, marmalade, choc spread etc), so if any of you were wondering what to get there's a wee idea.

Donations are being collected in the Library by Miss Cooper now.

Thanks!
