Weekly Puzzle:

Where on the campus did Mr Smith take these photos?

**The raffle ends this Friday
10th December!**

**It's your last chance to get
in on the action...**

**There are loads of brilliant
prizes and it's been great
to see the daily winners-
remember to check out
the Parent Council
Facebook page to see if
you've scooped a prize!**

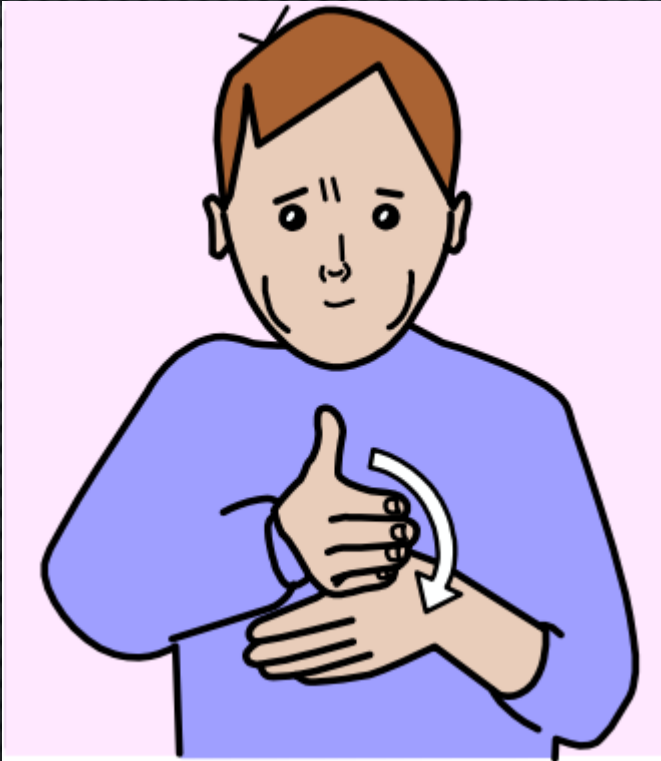

**Congratulations to
Bobby McIndoe - Ewart
who successfully completed
a sponsored silence for
Children in Need!**

**Bobby managed to stay
silent during classes for the
entire day and raised £33 for
the charity...**

Sign of the Week : “Work hard”

Hold your left hand out,
pointing away from you.

Next run your right hand over the top of your
left as if it's going over the top of a hill and
down the other side.

As you're doing the action, puff your cheeks
and blow the air out
(emphasising the hard work)!

(this one's hard to explain so if you're not sure,
why not ask one of the Hearing Impaired Department to give you a wee demo?!)

RESPECT

All S4 pupils planning to do Silver Duke of Edinburgh please meet with Mr Livingstone in the library today during lunch.

SI and S2 pupils have been treated to PSE lessons delivered by our Senior Mentors in Violence Prevention.

Meanwhile, S3 pupils have had lessons from Skills Development Scotland about option choices for next year!

A couple of reminders...

We want you in class and learning as much as you can. Please fill your water bottle and get to the toilet before school, at interval or at lunchtime. Don't ask out of your lesson for a drink of water or to go to the toilet...

Also remember to dress warmly for school as we have to maintain good ventilation in classes, even when it's chilly outside!

S4/5/6 Students: Remember that Supported Study sessions are being offered for loads of subjects- the full list of before school and after school revision is available here:

<https://blogs.glowscotland.org.uk/ea/eastayrshiregrangeacademy/main2017/2021/11/26/senior-phase-supported-study/>

Thanks to all teachers who're giving up their time to put on this extra support in the run up to the January prelims!

These Higher
Chemistry students
made mirrors from
silver!

**Sorry if this gives you
the munchies during
period one!**

**But this shortbread
made by Ella
McAllister and
Sophie Hislop
deserved a shout out.**

Remember that if you're able to bring in items for the foodbank this Christmas, donations are being collected in the Library by Miss Cooper.

Thanks!
