Dear S4-6 pupils,

Thank you for your time in classes this afternoon. Please find a summary of points discussed below.

January Assessment Block Timetable is attached.

Study Leave

There is no study leave for the January Assessment Block and pupils will be expected to follow their normal timetable when not involved in assessments.

You must attend your timetabled classes and cannot use the library or other school space to study.

Teachers may allow pupils to use class time to study for other subjects. This is at the class teacher's discretion. No other assessments will take place during the January Assessment Block.

Additional Assessment Arrangements

If you require any additional arrangement, already in place for assessments, you may start or finish your assessment at a different time. An individual timetable is being prepared for you to highlight this information and will be provided during the week beginning 13th December. A member of the pupil support team will contact you.

Higher and Advanced Higher Music

Please ensure you select a timeslot that does not coincide with any of your timetabled assessments. Speak to your music teacher if you have any questions.

School Uniform

All pupils must continue to wear full school uniform during assessments and when attending school during the January Assessment Block.

Assembly Hall

The Assembly Hall (Exam Hall) will be set up differently from previous years to allow for relevant Health & Safety measures to be in place. I have summarised key points below:

- Assessment papers will be placed in “drop-boxes” when pupils leave the hall to remove any contact with invigilators
- Invigilators will primarily be based in zones at a safe distance
- Pupils will keep bags & jackets at their own seats, under tables - mobile phones and smartwatches must be switched off and inside bags or left at home
- Hand sanitiser at entrances/exits
- Pupils must wear masks during all assessments, unless exempt
- **Pupils should arrive at least 10 minutes prior to assessment start time to ensure you know your seat number (this may change for each assessment you sit)**

Equipment

If pupils require specialist equipment for an assessment, such as a calculator or highlighter, and they do not have their own, they should arrange with the subject PT to collect these from departments in advance of the assessment start time. This will prevent pupils from gathering in one area to collect equipment in the exam hall.

Results

The earliest date a result will be issued to pupils is **Friday 28th January 2022**. The main reasons for this are:

- To allow an appropriate time for marking and department quality assurance procedures.
- To ensure there is no detrimental impact on a young person's wellbeing and performance in an assessment due to them being informed of poor performance in another subject prior to another assessment

A Statement of Results will be issued to all parents / carers following the completion of the January Assessment Block.

May I thank you for your continued support and encourage you to contact me should you have any queries regarding this diet of assessments.

Kind Regards,

Lauren McLean

Principal Teacher of Science

Please arrive outside the exam hall at least 10 minutes before your assessment start time. Ensure you have all your equipment and your phone and smartwatch are switched off and in your bag.

H & AH music candidates will be asked to sign up for a 15 minute performance time during the assessment block at a time that doesn't coincide with another assessment.
