Weekly Puzzle:

2021 was an interesting year Mathematically.

Square 2021 and you get 4084441.

Now reverse those digits: 1444804.

Square root that new number to get 1202.

And when you reverse this you get back to 2021...

**When is the next year when this
“SQUARE IT-REVERSE IT-SQUARE ROOT IT-REVERSE IT”
pattern will happen?**

Right of the Week...

Article 39 states:

“I have the right to help if I have been hurt, neglected or badly treated.”

Sign of the Week : “Happy Christmas”

“Happy” - clap the heels of your hands together twice

“Christmas” - indicate Santa’s beard coming down from your chin.

Here are just some of the fantastic entries to our Christmas Card Competition...

We're sad to say that Mr Keachie and Mrs Worrall are leaving Grange Academy after the hols.

Mr Keachie and Mrs Worrall: thanks for all you've done for the school - you'll be missed but hope that your exciting plans for the future are utterly fulfilling!!

**Wish you
all
THE BEST**

Miss Gemmell and Miss Donnelly directed the Troon choir (Marr Cappella) in their annual Christmas Concert at Troon Old Parish Church...

**...Louis Shekleton
demonstrated excellent
drumming skills by
accompanying the choir
during the upbeat numbers
in the programme...**

EXCELLENCE

AMBITION

...Hannah Martin (S5) and Sophie Henry (former Grange pupil) took centre stage and performed not one, but two duets: 'Last Christmas' and a beautiful rendition of 'It's Gonna Be A Cold Cold Christmas'!

Amazing stuff!

One of our S4 students, Cielo Matta, has been attending four revision webinars EVERY WEEK as she prepares for her prelim exams in January.

Cielo's commitment and hard work has been recognised by the organisers as student of the term for English AND Maths...inspirational, Cielo!

A massive thank you to everyone who supported our “12 Days of Christmas Raffle”.

Thanks to all the local folk who donated prizes, to Mr Adams for doing the daily prize draw and to the Parent Council for organising the whole thing!

A whopping £954 was raised!!

Weekly Puzzle:

The weird reverse date will happen next year in 2022, too!

Square 2022 and you get 4088484.

Now reverse those digits: 4848804.

Square root that new number: 2202.

And when you reverse this you get back to 2022...

(enjoy it, folks, it'll be almost 80 years before we reach another!)

Thanks for all of the photos and stories and ideas you've passed on to Mr Smith for the bulletin over the last few months...

...as we head into 2022 Miss Cooper is going to be putting together the bulletin.

So if you've got good news stories to share then head along to the library or send Miss Cooper a wee email.

Have a great Christmas, Grange:

As the old carol, “O little town of Bethlehem” puts it:

**How silently, how silently,
The wondrous gift is given!
So God imparts to human hearts
The blessings of his heaven.
No ear may hear his coming,
But in this world of sin,
Where people will receive him, still
The dear Christ enters in.**

See you in 2022- ready to work hard and be kind!
