# MENTAL HEALTH AWARENESS WEEK

This week (9<sup>th</sup> – 15<sup>th</sup> May) is Mental Health Awareness week, and S1-3 have recently been/will be focussing on mental health and wellbeing in PSE.

This is an annual event when there is an opportunity for the whole of the UK to focus on achieving good mental health.

The theme for 2022 is loneliness – look out for a lesson on this in PSE.

# HEALTH AND WELLBEING RESOURCES

If you need support with your mental health and wellbeing, there is a signposting resource with some suggestions of organisations and apps which can provide help and information on wellbeing and mental health.

You can access this via the QR code (this is also displayed outside the guidance office for future reference should you need it).

# KEEP THE HEID AND READ!

Keep  
the heid  
and read!

To celebrate the power of reading, libraries and good mental health, you are being asked to pledge **SIX minutes on Wednesday 11th May 2022** and devote it to reading.

Taking time for yourself to relax and do things you enjoy (like reading!) is important to help look after your mental health and wellbeing.

It has been scientifically proven that reading for just **SIX minutes a day boosts your mental health by 68%**.

**Anyone who pledges their six minutes will receive 150 Young Scot reward points. Your English teachers will give you more information this week.**
