# EXAMS

It is very important that you continue to be respectful during the exam diet by walking past exam rooms as quietly as possible, not entering the exam hall, and being courteous to our invigilators.

Please take notice of any signage asking you to be mindful that an exam is in progress or asking you not to enter an area, such as the library.

Thank you.

Here's what some of our previous students have said:

*When I started university, I didn't realise how the cost of textbooks, travel and lunches would add up. My bursary was ideal as it meant I could purchase all my textbooks right away. (Amy, ICAS Foundation graduate)*

*I'm so grateful that my mentor, the ICAS Foundation team and my other contacts have all taken time to help me. Whatever I go on to do in the future, I'm so glad that the ICAS Foundation was there for me. (Eryn, ICAS Foundation graduate)*
