## A REMINDER...

Can all pupils avoid using the Street when going from period 4 to period 5. Instead, please use the ground floor corridor.

The new P1's are getting their lunch at this time and it can be very intimidating when large groups of Grange pupils are walking among them in groups.

# ETHAN CHAN

Maths prodigy Ethan Chan performed SO WELL in the UKMT Junior Maths Challenge that he was invited to take part in the follow-up round, the "Junior Kangaroo".

This is quite an achievement in itself, but Ethan then went on to earn himself a Merit Award for finishing in the top 25% of competitors at the Kangaroo!

Incredible work, Ethan!

# FOOTBALL AMBASSADOR

Any S5 or S6 pupils who want to become a **Kilmarnock Football Club Schools Ambassador** should speak to Mr Adams.

This would involve being a coach at match days, gaining football qualifications, leading football teams and loads more.

It's an excellent opportunity for anyone interested in football, coaching, or helping at Kilmarnock FC, and it will be great for your UCAS application or work experience!
