# LITTERING

## LET'S PUT A STOP TO LITTER!

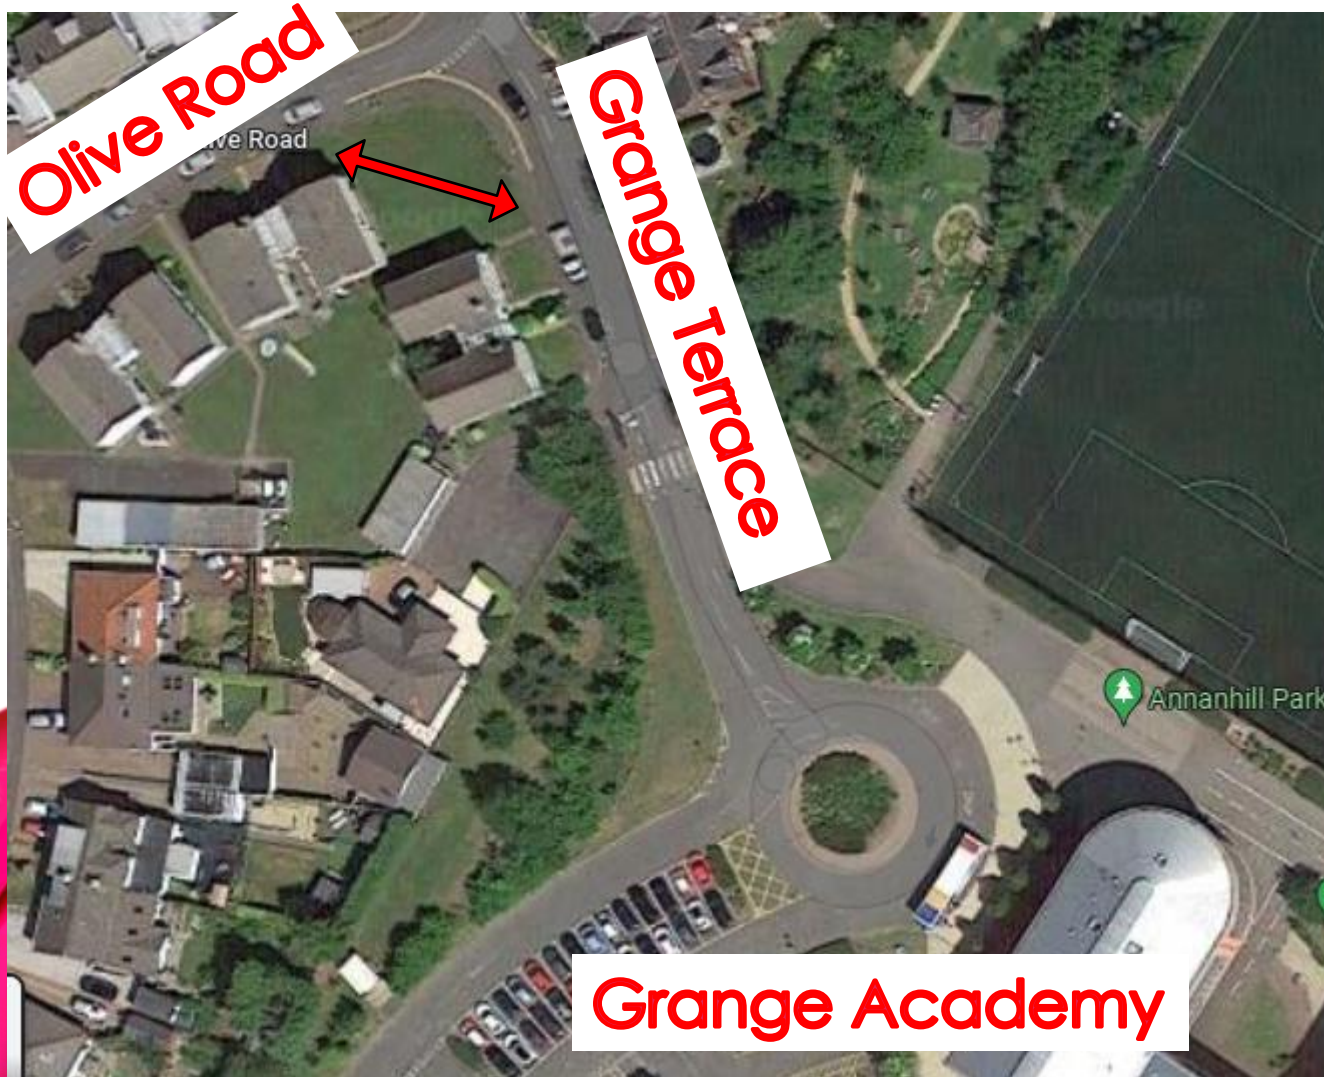

- put your rubbish in a bin
- if there isn't a bin nearby, bring it into school and put it in a bin here
- remind your friends to do the same
- if you see litter, put it in a bin
- be polite to members of the local community
- report anyone you see littering to a teacher

A reminder to make sure you are not dropping any litter when you are out in our community.

We have had complaints from local residents – especially in Stevenson Street and Olive Road.

This needs to stop – let's do better, Grange.

# PRIVATE PROPERTY

We have also had complaints from local residents about pupils walking through their gardens on the corner between Olive Road and Grange Terrace during lunch and break times (where the red arrow is in this photo).

**This must stop immediately.**

This is private property. Pupils have no right to walk here, and certainly have no right to look into residents' windows.

Thank you for your co-operation in this matter.

# WORRY BOX

There is a Worry Box in the library (on the end of Miss Cooper's desk)

If you are worried about something, but you feel too nervous to approach a member of staff, you can write down your worry and put it into the box.

Make sure you include your name, and the note will be passed on to a member of the guidance staff who will come and talk to you.
