Future Fest 2023

Dear Parents/ Carers,

Grange Academy's careers fair, **Future Fest**, will be running in the evening from **5pm-7pm** on **Tuesday the 31st of January 2023**. This event is designed for **S1-6** pupils.

So far we have secured **40+ attendees** covering a huge range of industries, local businesses, colleges and universities! Our school's careers advisors will also be available to answer pupils' questions and make appointments for follow up interviews. Pupils will have the opportunity to learn from professionals about career pathways, required and recommended subjects/levels, graduate programmes, alternative pathways, apprenticeships offered etc.

All pupils are being encouraged to attend this event **with their parents/carers** where possible.

This is an *amazing opportunity* for pupils to gain further insight into career options available to them when they leave school and it may even promote an interest in pupils for careers which they had not even considered prior to the event.

Although this event will begin at 5pm, we advise that you arrive no later than 6:15pm in order to make the most of this opportunity and to gain a positive and wholesome experience.

Please keep an eye on our school website for a detailed list of attendees for the night which will be uploaded prior to the event. If you have any further questions, please do not hesitate to contact the school using the details below.

We look forward to seeing you all there!

Yours Sincerely,

Miss Hagan
