PRELIMS

A reminder of some important things to remember for all our pupils who are currently sitting prelims:

Make sure you arrive at least **10 minutes before** the start of the exam, and check your seat number before entering.

Phones, smartwatches and other devices **MUST BE SWITCHED OFF** (not just on silent!) and placed inside your bag, or left at home.

You must wear school uniform while attending for prelims.

When you finish an assessment, you must return to your timetabled class – do not loiter in The Street, the library or other areas of the school.

DOMINIC PATTON

Congratulations to Dominic Patton in 2G1.

He has successfully made the SYFA Regional Squad for the West Region.

132 footballers tried out for a place in the squad, and he was one of 2 Goalkeepers from a chosen squad of 22 players!

An amazing achievement - well done, Dominic!

Grange Academy is still part of Utilita's "Football Rebooted" mission to rehome 1 million pairs of football boots.

In the hope that there may be spare boots after Christmas time, we are having a big push to collect more football boots during January.

There is a drop-off point in the PE department where pupils can leave football boots that are either too small or that they no longer need. As well as the environmental benefits, we are hopeful that this could also help more of our pupils enjoy playing football!

The drop-off point can be found in the PE store cupboard, next to where the bibs are normally kept.

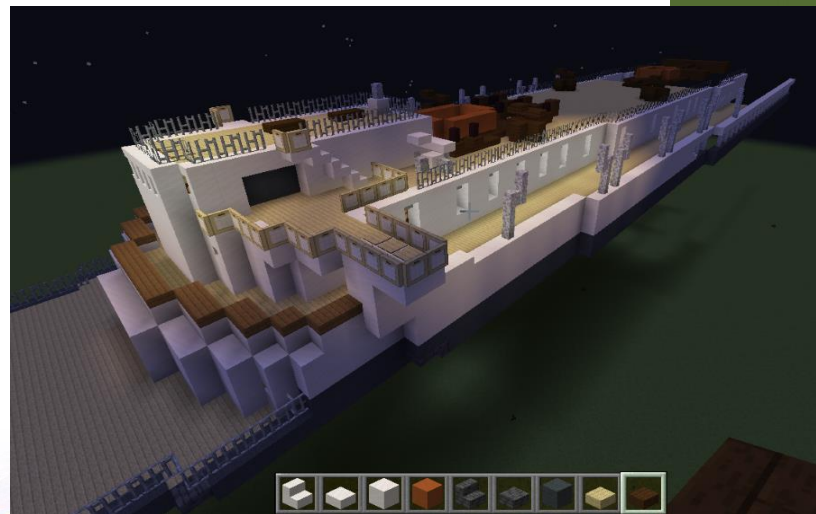

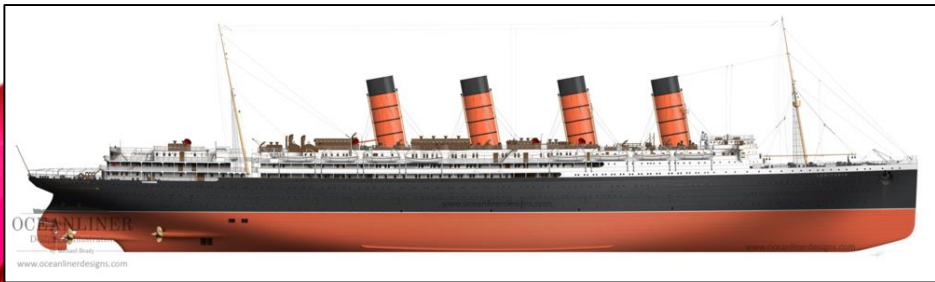

CALLUM NEIL

Callum Neil (4H1) has been working hard to produce this incredible scale model of the RMS Lusitania on Minecraft.

Built on the Clyde, it once held the record for the fastest crossing of the Atlantic.

This is what the full ship looked like:

Great work, Callum!
