EXAMS

Pupils in S4 - S6 continue their exams this week

It is very important that all pupils continue to be respectful during the exam diet by walking past exam rooms as quietly as possible, not entering the assembly hall and other exam venues, and being courteous to our invigilators.

Please take notice of any signage asking you to be mindful that an exam is in progress or asking you not to enter an area, such as the library.

PREPARATION

Now that we are moving to our new timetables, we would like to take this time to reflect on how well we are doing in our classes.

This week we will look at our **PREPARATION**.

Which of these statements do you think suits you best? If you are yellow or red, what can you do to move to green?

I come to class with the right materials.
If I have forgotten something, I take steps to sort this right at the start of the period.

RESPECT

Sometimes, when the class has started, I find I don't have the right materials (e.g. pencil, worksheet, etc.).
I then ask the teacher for help.

RESPONSIBILITY

The teacher has to ask me directly whether I have all the correct materials.
If the teacher doesn't ask me, I don't start my work.

NABOJ COMPETITION

The Maths Department love a wee geeky competition, and they found out recently about an international one called Naboj.

Teams of five are issued with six questions and every time they successfully answer one, they're issued with the next. The team with the most correct answers at the end of two hours is the winner.

Grange Academy's team was:
Ethan Chan, Carly Fraser, Keira McKeown, Kate Rodger and Peter Wardle.

A crash on the M77 meant they were stuck in traffic for nearly an hour, and had to rush into Glasgow University after the contest had already begun. Despite all this, our team performed heroically and ended up finishing second in Scotland (and 4th overall in the UK).

Congratulations!
