Purple Friday

Purple Friday takes place on the **23rd February 2024**.

It's a fundraising day that brings people all over Scotland together, to show their support for LGBTQ+ young people.

Our LGBTQ+ Club would like to organise an event to celebrate this day and they're looking for YOUR help!

If you have any ideas, and would like to get involved in planning an event – **please attend a meeting in the library today (Monday) at lunchtime.**

This is a perfect opportunity for Leadership pupils who are looking for some extra leadership roles, but is open to all pupils from all yeargroups!

Come along to our Career Events in February!

Our Workforce and Future Skills Team are hosting two career events in February. We will have representatives from many services there to showcase the great work they do and promote their Modern Apprenticeships, Graduate Internships and all other job opportunities available in 2024.

These drop in events will be interactive to give both public and pupils a small taster of what's involved in working for different services across the council.
