# BSL Recap

Can you remember the sign from the last bulletin?

calm down

Move both your hands downwards,  
twice.

# BSL Sign of the Week

tired

Put your thumbs on your chest with fingers spread and palms facing the floor.

Next, move your hands so your palms are now inwards towards your body.

As you do this, breathe out as if you're deflating.

Have a great week, Grange.

Work hard.

Be kind.
