ONLINE LEARNING

We hope you all had a good Christmas and Happy New Year to you all.

We are looking forward to learning new and exciting things this term. Your teachers have been working virtually with each other to put together a plan of online learning for you to work through. We are asking you to try and do what you can manage from our grid. There is a variety of activities which you can do by yourself. For some of the activities you might need the help of an adult.

The plan will be posted on our Primary One Blog page - this can be accessed by googling - Onthank Primary Blog and it will take you to our school blog and then click on Primary 1 tab. The online plan will be posted weekly on Mondays.

We are asking that you log into your BUG CLUB account and complete at least 1 allocated book and 1 from your library weekly. If you have any problems logging into your account, please let us know.

Please keep in touch with us via email and show us what work you have been doing.

We would love to see your fantastic efforts and any news you have to share with us. We are working in school on a rota during the week so we will get back to you as soon as we can between 9.00am and 3.00pm.

If you have any questions or would like to show us your work, here's a reminder of our email addresses:
