

Primary 4 Spelling Homework

This week we are consolidating words with the ae sound including the following phonemes; igh, i-e, ie, y.

I would like you to focus **igh** and **i-e** sound.

It would be useful to practise reading the words below. Any words you find a bit trickier to read could be your focus words for homework tasks from the spelling menu. Alternatively take a random selection of words from each column. I suggest one activity per night.

Spelling Menu

Pick 4 words. Using an old magazine, cut out the letters you need to make the words and glue them down on a new sheet.	Say the word then jump for each letter, shouting them out as you jump.	Use chalk to write your spelling words outside. 	Give an adult a spelling test! How many of your words can they get correct?
