Data Handling

LI: Gather and display data from everyday life.

Green-chilli task

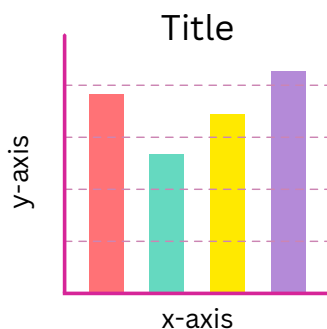

Count the following objects in your house and draw a tally chart to display the data:

- mugs
- plates
- bowls
- forks

Orange-chilli task

Turn the data gathered in your tally chart into a bar graph! Remember to include an x-axis label, a y-axis label and a title!

If you would like squared paper to complete the bar graph, please let the teacher know.
