February 2025 Newsletter!

Playroom News

We have loved getting to meet and know all of the children in both rooms who have started with us in January!

The children in the rainbow room (2-3) have the opportunity to explore everyday objects, such as scissors, droppers, and mirrors to see how they work. Children have had the opportunity to manipulate toys to explore cause and effect. During outdoor play, the children are beginning to have opportunities to develop their physical skills and coordination using the climbing frame, slide and scuttle bug tricycles.

The children in the Butterfly room (3-5) have been exploring the ice during the colder days and explored painting on ice and breaking it into different sized pieces. Outside they have been talking about the things which animals may need during the winter months, such as hedgehog hotels and making bird feeders. Children have been discussing space, including what we can see in the night sky and been given the opportunity to explore the different planets in space and space travel.

Early Learning and Childcare - Registration weeks (14th - 28th February)

Applications for funded early learning and childcare places for 3 and 4 year olds in East Ayrshire will open on Friday 14th February and close at midnight on the 28th February 2025

• If your child currently attends the 2 year old room, you <u>must</u> apply on-line for a funded place in the 3 -5 room at your preferred Early Learning and Childcare Centre. Click on the link below to apply.

If your child currently attends the 3-5 room and are returning in August for their 4 year old place you should either:

- If no change of session needed and you want to maintain your current sessions, you do not need
 to reapply on-line. Please return the slip of the letter you will receive to a member of the
 management team.
- If you wish to <u>change</u> your existing session, we request that you complete the on-line application form by following the link below.

As part of our commitment towards our Eco-schools journey we have arranged a RAG bag collection for 18th February 25. Clothing collected will be reused and the Centre will receive money which can be put towards resources and trips.

We value your support with this project to support children to understand recycling and re-using unwanted items as we aim to reduce waste.

Parent Committee - Fundraising

Race Night

Not long now until the parent committee's race night on Saturday 8th February! If you would like to buy tickets, please see Amanda Dick (Rudy's mum). Raffle tickets are on sale throughout the week at the Centre.

Spring Bulbs (not daffodils)

The outdoor team would like to request springtime bulbs to be donated to the Centre, although preferably not daffodil bulbs. The team plan to plant springtime bulbs with the children which supports understanding in early level science, of the conditions which are required for growth.

Plastic bottle donation

The outdoor team are challenging themselves to build an eco-green house for the large garden. To achieve this we need lots of 2 litre plastic bottles to make the greenhouse. We would be very grateful if 2 Litre plastic bottles could be donated to the Centre over the next few weeks.

Many thanks

The outdoor and Eco-group teams \odot

(midnight) February	Information will be shared nearer the time
Monday 7 th - Thursday 17 th April	Spring Break - Term time holiday
Friday 18 th April	Good Friday - ECC closed to all children
Monday 21 st April	Easter Monday - ECC closed to all children
Tuesday 22 nd April	Centre re-opens for all children for Summer Term

Learning Journals

Parents Zone: Many of you will have noticed the learning journals are requesting parents to join the Parent Zone. This is just for parents with children at school and does not apply for children attending the Early Childhood Centre.

All children within both rooms should have targets to work on in their next steps section of the learning journal. Observations posted will refer to progress in working towards achieving their next step. General information, in the form of stories will also be included on the journals to share events, reminders and the newsletter. If you require any support in accessing your child's learning journal please let your child's keyworker know. All observations will be published weekly on Friday at 6pm.
