

Galston Early Childhood Centre

January 2026!

We hope everyone had a magical and enjoyable festive break. This week we have enjoyed welcoming everyone back to the Centre and meeting children and their families of children due to start the Centre over the next couple of weeks.

Registration for School

Will your child be five years old between 1 March 2026 and 28 February 2027?

P1 registration, for children who turn five years between 1 March 2026 and 28 February 2027, opens on Monday 12th January and closes on Friday 16th January.

Registration will be online and you will need a copy of your child's birth certificate and two proofs of your residence in the catchment area, in the form of a Council Tax Notice or utility bill.

If you would like for your child to attend a school outside your catchment area, you can submit a placing request to the education authority. Your child must first be enrolled at their local catchment school. All placing requests for the August 2026 school session must be received by **31 January 2026**.

Please click on the link below to take you to the Council site:

<https://www.east-ayrshire.gov.uk/EducationAndLearning/Schools/SchoolAdmissions/SchoolAdmissions.aspx>

If you wish for your child to have an additional year of funded early learning and childcare, your child must meet the criteria below:

- they are still four years old on the date they are eligible to start school and
- their fifth birthday is on or between the day after school starts in August and the last day of February

If parents and carers are seeking an additional year of funded ELC for their child whose birthdate sits within these dates, parents/carers should complete the form below by clicking on the link below and should be completed and submitted no later than **28 February 2026**.

Please be aware that if you wish to defer your child, discuss this with your child's keyworker. If you choose to defer your child, parents/carers must still complete the school registration form.

Lending Library

Our lending library will restart on Wednesday 21st January. Following our trial in the Autumn term, we have decided to make lending library day a Wednesday for all children. We hope that this will support consistency and ease for everyone involved.

All the children have been working towards achieving their first Book Worm certificates. To achieve this the children are required to have chosen and returned 5 stories of their choice. Some children have achieved this and will now work towards their bronze certificates. We have lots of children who have now selected 3 or 4 stories and will soon earn their first certificates!

All children will have the opportunity to choose a book each Wednesday and take it home in their library bags if they have returned their book from the previous week. All library books should be returned to the library crate in the cloakroom by Tuesday so that the books can be sorted ready for the lending library the next day.

We are always seeking support from parents/carers in running the lending library so if you have an hour free either from 9:15 -10am or from 1:30-2:30pm on a Wednesday we would love to hear from you!

Thank you for your kind donations for the foodbank and supporting this local resource at such a busy time of year!

We will be holding PEEP sessions for families in the sunshine room from the week beginning 2nd February. Look out for more information through the learning journals.

Recycle, Re-use and Re-love!

The RAG Bag collection team will be collecting wearable clothing, paired shoes, handbags, belts and ties on **Tuesday 17th February**. The RAG bag team will weigh our donations and pay the Centre for each Kilo. All money raised will be put towards resources and experiences for the children to enjoy, whilst also supporting learning about recycling and repurposing of our waste products.

Rhyme of the Month

HEY DIDDLE DIDDLE

Hey diddle, diddle,
The cat and the fiddle,
The cow jumped
Over the moon,
The little dog laughed,
To see such sport.
And the dish ran away,
With the spoon.

January Top Tip

January top tip

Make reading part of your day.
Read books appropriate to your child's age and stage.
Talk about the books you read.

This will help with spelling when they go to school and build their general knowledge and language skills.

If you have concerns about your child's speech, language or communication, you can contact the speech and language helpline on Mondays between 9:30 - 11:30am or Thursday afternoons between 2pm - 4pm.

Using Makaton to support communication

We can support communication with all children through using Makaton. Makaton improves communication by combining speech with simple, natural signs and visual symbols to provide multiple clues to help others to understand and be understood. You can click on the link below to listen to the rhyme and try to learn the Makaton signs

EAST AYRSHIRE SPEECH & LANGUAGE THERAPY ONLINE DROP INS

#Getting wee people chatting

Do you have concerns about your child's speech and language development? In addition to our helpline we will now be offering times for virtual drop ins. This will be a chance for you to speak face to face with a Speech and Language Therapist who can provide advice and guidance. You can attend with or without your child.

If you would like to attend a drop in session please text the number below and you will be given a time slot. You will then be provided with an information leaflet on how the drop in is run. This is for children who are not currently on the Speech and Language Caseload. If you already have a named Speech and Language Therapist please contact them for advice.

Please text on: 07812519298

Virtual drop ins will be available every:

Tuesday Afternoon 3pm-6pm

Nappies and Wipes

A gentle reminder that parents/carers are responsible for making sure that their child has plenty of nappies and wipes in their child's bag. For children who are wearing pants, we kindly request that plenty of spare pants and trousers are put into your child's bag to get changed into in the event of a toileting accident or messy play.

Winter Woolies!

We would love any spare hats and gloves which we can use over the colder period. Please hand them to your child's keyworker or the outdoor staff

Learning Journals

All parents/carers should have access to their child's learning journal. Information on the journal will document your child's learning within the Centre through observations which support next step targets. General information, in the form of stories will also be included on the journals to share events, reminders and the newsletter. If you require any support in accessing your child's learning journal, please let your child's keyworker know. All observations will be published weekly on Friday at 6pm.
