Multiples of 5 minutes and 1-minute times**

Fantasy Holiday

You should write down five times in the day day between getting up and bedtime.

Imagine you are on a dream holiday and invent what you are doing at each of these times (e.g. swimming, eating ice-cream, bowling).

Record it like this:

10.16am: Wake up to a delicious breakfast which included ice-cream

12.48pm: Swam with dolphins in the ocean.

2.24pm: Applied more sun cream to sun bathe.

5.59pm: Got my photo taken on the balcony before heading out for dinner.

9.34pm: Sang my favourite song on the karaoke machine up on a huge bright stage.
