Step 2: Click on Create

Step 3: Add all your words by changing the three words that are already there and then adding in a new word where it says "Type in a new word" - Choose as many words as you would like.

The screenshot shows the Word Art application interface. A yellow circle highlights the word list on the left, which contains the following data:

Word	Size	Color	Angle	Font
Word	1	Default	Default	Default
Cloud	1	Default	Default	Default
Art	1	Default	Default	Default
Type in a new word				

Below the word list, there are buttons for 'UPPER', 'lower', 'Capitalize', and 'Replace', along with a 'Clear' button. At the bottom, there are tabs for 'SHAPES', 'FONTS', 'LAYOUT', and 'STYLE'. On the right side of the interface, there is a toolbar with buttons for 'Visualize', 'Undo', 'Redo', 'Animate', 'Edit', 'Lock', 'Reset', and 'Print'. The main canvas displays the text 'Input words', 'Click Visualize', and 'Customize' in large, stylized fonts, with 'Have Fun ;-)' at the bottom.

Step 4: Click on "Visualize" to see all of your words appear.

The screenshot shows a web application for creating word art. The interface is divided into two main sections: a control panel on the left and a visualization area on the right.

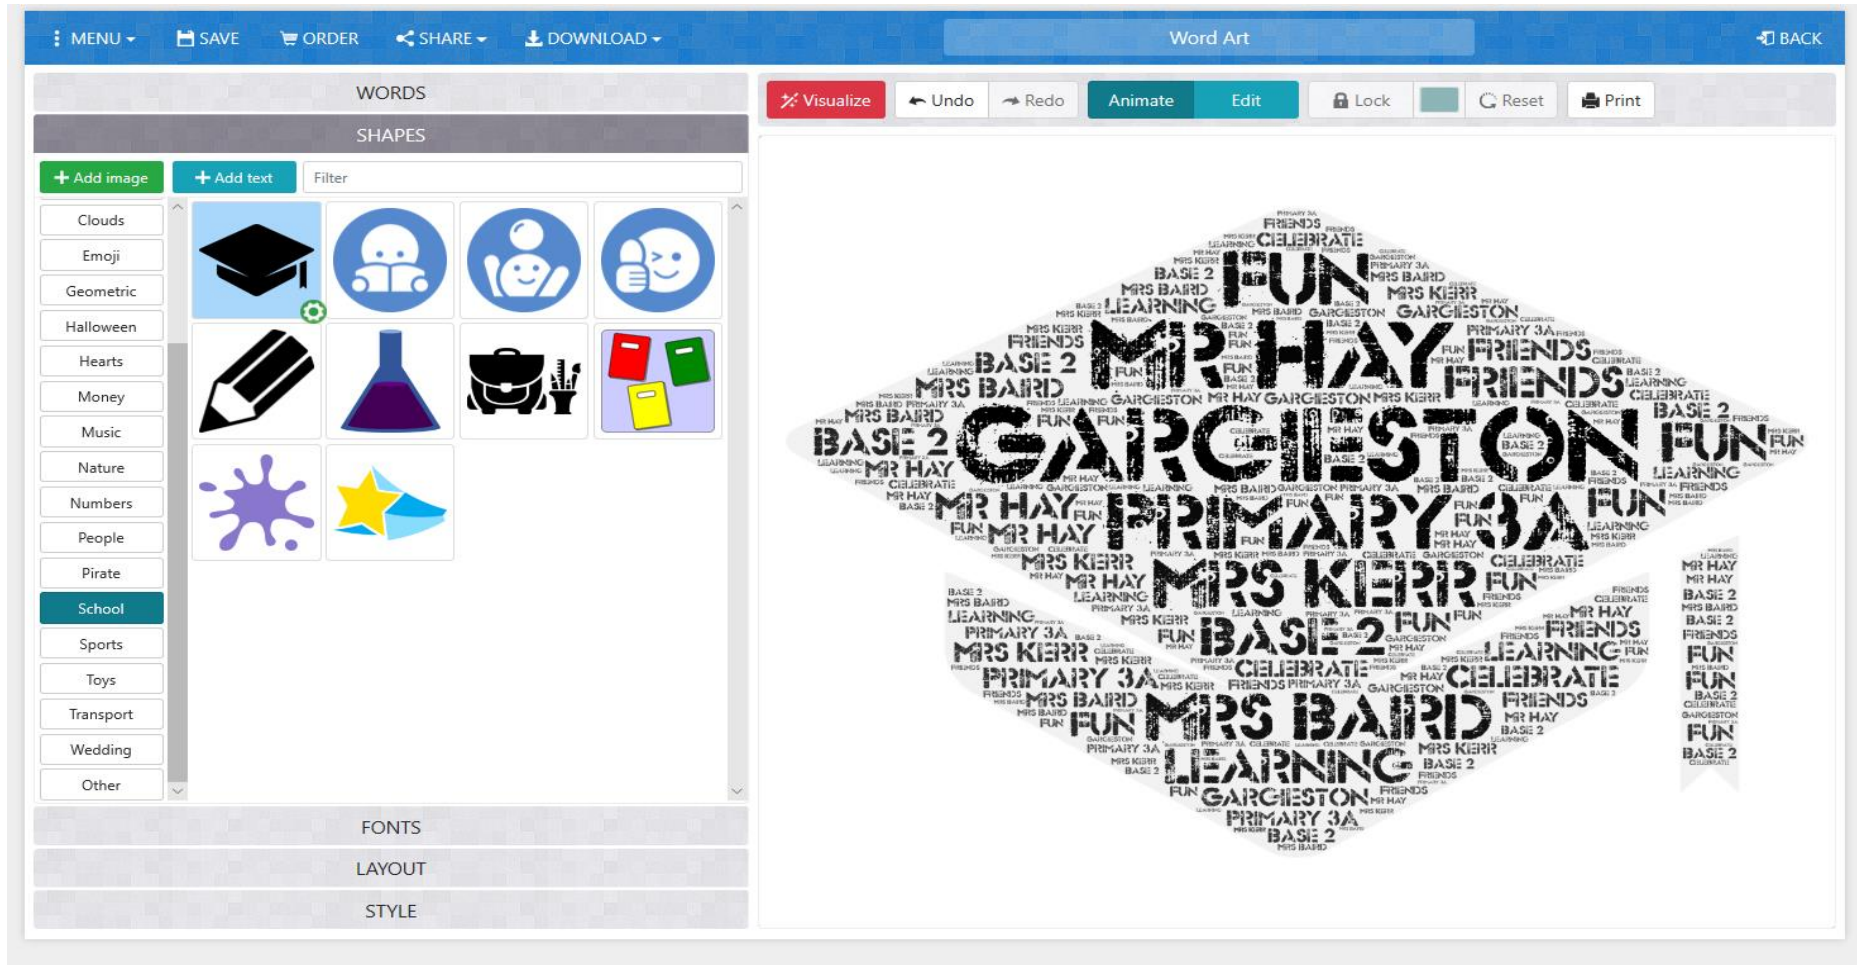

Control Panel (Left):

- WORDS Section:** Contains buttons for Import, Add, Remove, Up, and Down. Below these is a table with columns: Filter, Size, Color, Angle, and Font. The table lists the following words: Gargieston, Primary 3A, Mr Hay, Mrs Baird, Mrs Kerr, Fun, Learning, Base 2, Friends, and Celebrate. Each word has a dropdown arrow next to it.
- Visualize Button:** A red button with a paintbrush icon and the text "Visualize", circled in yellow with an arrow pointing to it.
- Undo/Redo:** Buttons for "Undo" and "Redo".
- Other Buttons:** "Animate", "Edit", "Lock", "Reset", and "Print".
- Filter Section:** Includes buttons for "UPPER", "lower", "Capitalize", and "Replace", along with a "Clear" button.
- SHAPES, FONTS, LAYOUT, STYLE:** Four buttons at the bottom of the control panel.

Visualization Area (Right):

- A large white area displaying a word cloud. The words from the list are arranged in a circular pattern, with "GARGUESTON" and "PRIMARY 3A" being the largest and most prominent.

Once you have selected your shape etc, make sure to click on "Visualize" again to see your design.

Step 6: Click back on words to change the colours of each of your words to make it bright and colourful.

Click on Words

Choose a word and click on where it says default.

Choose a colour and click apply.

Repeat this for all of your words.

Filter	Size	Color	Angle	Font
Gargieston	1	Default	Default	Default
Primary 3A	1	Default	Default	Default
Mr Hay	1	Default	Default	Default
Mrs Baird	1	Default	Default	Default
Mrs Kerr	1	Default	Default	Default
Fun	1	Default	Default	Default
Learning	1	Default	Default	Default
Base 2	1	Default	Default	Default
Friends	1	Default	Default	Default
Celebrate	1	Default	Default	Default

Step 7: When you are happy, click on Download and then "Standard JPEG"

The screenshot displays a web-based Word Art application. The central canvas features a diamond-shaped word cloud with the text 'MR HAY GARGIESTON PRIMARY 3A' prominently displayed. The words are arranged in a circular pattern, with 'MR HAY' in the center, 'GARGIESTON' below it, and 'PRIMARY 3A' to the right. Other words like 'FUN', 'LEARNING', 'FRIENDS', 'CELEBRATE', 'MRS BAIRD', 'MRS KERR', 'BASE 2', and 'PRIMARY 3A' are scattered around the central text. The words are in various colors and sizes, creating a vibrant and dynamic visual.

On the left side, there is a 'WORDS' panel with a table listing the words used in the word cloud. The table has columns for 'Filter', 'Size', 'Color', 'Angle', and 'Font'. The words listed are Gargieston, Primary 3A, Mr Hay, Mrs Baird, Mrs Kerr, Fun, Learning, Base 2, Friends, and Celebrate. Below the table, there is a 'Type in a new word' input field and a 'Clear' button. At the bottom of the panel, there are tabs for 'SHAPES', 'FONTS', 'LAYOUT', and 'STYLE'.

At the top of the application, there is a navigation bar with buttons for 'MENU', 'SAVE', 'ORDER', 'SHARE', and 'DOWNLOAD'. The 'DOWNLOAD' button is highlighted in blue. Below the navigation bar, there is a toolbar with buttons for 'Visualize', 'Undo', 'Redo', 'Animate', 'Edit', 'Lock', 'Reset', and 'Print'.

On the right side, a 'DOWNLOAD' dropdown menu is open, showing the following options: 'Standard PNG', 'Standard JPEG', 'PNG', 'JPEG', 'SVG (vector)', 'PDF (vector)', 'HTML (animated)', 'Custom', and 'Words data in CSV'. The 'Standard JPEG' option is selected.

Save it as you would normally and then upload it on the TEAMS Assignment.
