

## Home Learning Grids - ECC Week 1

Literacy	Numeracy	Expressive Arts/STEM
<p><b>Phonics- Learn to Read- Rhyming Words-</b> Watch the Alphablocks video and encourage your child to say out loud the letters/words they recognise.</p> <p><a href="https://www.youtube.com/watch?v=Os9P7wsDZa0">https://www.youtube.com/watch?v=Os9P7wsDZa0</a></p>  <p><small>#NurseryRhymingWeek Phonics - Learn to Read   Rhyming Words   Alphablocks</small></p>	<p><b>Number Hunt</b> Look around your house and see what number you can identify e.g the clock on the cooker, t.v remote etc</p> <p>Ask an adult to write numbers 0-10 on a piece of paper and hide them around the house and see if you can find them and put them in the correct order.</p>	<p><b>My Favourite Things-</b> Draw a picture of your favourite things about nursery.</p> 
<p><b>Story Book Challenge-</b> Read a short story or ask an adult to read one to you.</p> <ul style="list-style-type: none"> <li>Choose 1 character. Would you like him/her to be your friend? Why?</li> <li>What was your favourite part of the story? Explain.</li> <li>Anything you didn't like? Why?</li> </ul> <p>*Challenge- video yourself answering one or all the above questions.</p>	<p><b>Sorting Objects-</b> Find some objects from around your house or from the garden and sort them into different groups. How many ways can you sort them? E.g. toy cars - sort them by size, colour or make.</p>  <p><small>Live, love, laugh and teach! livebelovelaughandteach.blogspot.com</small></p>	<p><b>Arty Food Task-</b> Get arty with your food! Cut food in different ways to create animals / scenes. You could even paint your own rainbow bread using sugar and food colouring!</p>  <p>Ask a parent to help you with this task.</p>

## Literacy

### Find & Rhyme game-

Have a go at this fun rhyming game:

<https://www.notimeforflashcards.com/2013/04/find-rhyme-gross-motor-rhyming-game.html>

## FIND & RHYME

gross motor rhyming game

### Rainbow Name

#### Writing-

Create a cloud shape, write your name in the cloud and practice writing the letters of your name underneath in rainbow coloured strips.

## Numeracy

### The Spider's Web-

Write number's 1-10 randomly on a page and circle each number. Start at 1 and join in order up to 10. If you find this easy, try numbers 1-20 and if you really want to challenge yourself, 1-30!

### Topmarks Helicopter Rescue Game-

Play **Find a Number** and **Count On & Back** 1-10 & 1-20. If you find this easy, play 1-30.

<https://www.topmarks.co.uk/learning-to-count/helicopter-rescue>

## Expressive Arts/STEM

### Salt Dough-

Make the salt dough recipe below. You could:

- Make prints with leaves, stones, etc.
- Print with toys, e.g. Lego, dinosaurs
- make your name

### How to make Salt Dough

Mix together:

- \* 2 cups of plain flour
- \* 1 cup of salt
- \* Up to 1 cup of water

(add the water in slowly as you may need less)

**Knead the mixture into a dough and get creating**

(You can't really go wrong, if it's too sticky just add some more flour)

www.messylittlemonster.com

### Shape Art

Try and find as many different shaped items around the house. Draw round them on a piece of paper and colour to create your own 'shape art'.

## Literacy

### Fine Motor Skills-

Practise making patterns, letters and numbers in sand, rice, shaving foam or with buttons and playdough. Anything you have in the house!

## Numeracy

### Shop Imaginary Play Activity-

Find 5 toys, write 5 amounts on post it notes or pieces of paper, e.g. 5p, 8p, etc. 'Play shops'- use a calculator as a till register and loose change. Children can be the customer or the shop worker and they need to find the right amount to pay for the items or work out change.

\*Challenge- try larger amounts and buy more than 1 item.

## Expressive Arts/STEM

### Freezing Liquids Activity-

Make ice cubes or ice lollies from various liquids and time how long it takes for each to freeze. Which one do you expect to freeze first / last? Why?

For additional activities:

Oxford Owls have a library of free books: <https://www.oxfordowl.co.uk/>

Free audiobooks for children: <https://www.storynory.com/>

Lots of free maths games: <https://www.topmarks.co.uk/>

Daily lessons in literacy, numeracy and health and wellbeing: <https://www.bbc.co.uk/bitesize>

## P.E Challenge Grid

Try out an exercise video on youtube, Joe Wicks daily exercise videos are a good way to burn some energy.

<https://www.youtube.com/watch?v=d3LPrhIOv-w>

Put your dancing skills to the test with Just Dance! Go to their YouTube channel and choose a dance to follow.

<https://www.youtube.com/channel/UCOoefYX4YxrPA-abpa8Is2A>

Encourage everyone at home to join in too!

Get moving with cosmic yoga, here is a link to 'Going on a bear hunt' however there are loads to choose from.

<https://www.youtube.com/watch?v=KAT5NiWHFIU>

Create your own obstacle course either indoors or outdoors using various items you can find around the house or in your garden.

## Week 2

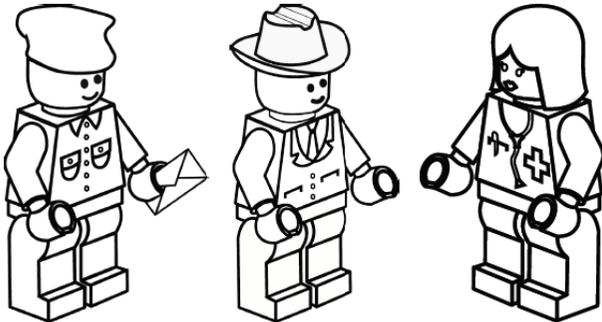

Literacy	Numeracy	Expressive Arts
<p><u>Aliens Love Underpants-</u></p> <p>There are 3 videos to watch:</p> <ul style="list-style-type: none"> <li>• <b>Listen</b> to the story</li> <li>• <b>Read</b> key words from the story</li> <li>• <b>Share</b> enjoyment of the story</li> </ul> <p><a href="https://www.bbc.co.uk/bitesize/topics/zvyc7nb/articles/zmgbvk7">https://www.bbc.co.uk/bitesize/topics/zvyc7nb/articles/zmgbvk7</a></p>	<p><u>Tick Tock-</u></p> <p>How many times can you do these things in just one minute? (use a phone timer)</p> <ul style="list-style-type: none"> <li>- bounce a ball</li> <li>- hop of one foot</li> <li>- run around your garden</li> <li>- write your name</li> <li>- do star jumps</li> </ul> <p>Write your scores down and try to beat them!</p>	<p><u>Kitchen Roll Art-</u></p>  <p>Use patterned kitchen roll to create your own piece of art.</p>
<p><u>Research Project: Favourite Animal-</u></p> <p>Choose an animal that you love and want to find out more about.</p> <ul style="list-style-type: none"> <li>• What does this animal look like?</li> <li>• What do they eat?</li> <li>• Where do they live?</li> <li>• Can you find out fun facts about this animal? (Youtube videos are great for this!)</li> </ul> 	<p><u>Numberjacks-</u></p> <p>Learn to count with Numberjacks:</p> <p><a href="https://www.youtube.com/watch?v=4aC6D4VcmaA">https://www.youtube.com/watch?v=4aC6D4VcmaA</a></p>  <p>*Challenge- write down the numbers that you spot in the Numberjacks clip. At the end, count the number you've written down the most.</p>	<p><u>Blanket Fort-</u></p> <p>Design and create your own blanket fort.</p> 

Literacy	Numeracy	Expressive Arts/STEM
<p><u>Safety in Nursery Poster-</u></p> <p>Design a poster that we can use at nursery to show children how to stay safe:</p> <ul style="list-style-type: none"> <li>- Wash your hands</li> <li>- Sneeze into elbows</li> </ul> <p>What other things do we need to remember?</p>	<p><u>Number Writing in salt-</u></p> <p>Ask an adult to draw dots for numbers on different pieces of card. See if you can write the number in the salt to match the number of dots on the card.</p>  <p>The image shows a black tray filled with white salt. A large number '3' is written in the salt. Above the number is a small white card with three dots. The background is a pink poster with the text 'Number Writing Salt Tray Game' and 'Plus! - Counting - Self Correction - Subitising'. The website 'learnwithplayathome.com' is visible at the bottom.</p>	<p><u>Build Your Own Castle Features-</u></p> <p>Build your own arch, battlements, drawbridge or portcullis at home! Use what you have- Lego and blocks, pillows and blankets, or cereal boxes and yoghurt pots. See link below for ideas:</p> <p><a href="https://www.historicenvironment.scot/media/6466/build-your-own-castle-features.pdf">https://www.historicenvironment.scot/media/6466/build-your-own-castle-features.pdf</a></p>  <p>The image shows two photographs side-by-side. The left photo shows a stone castle wall with a crenelated top. The right photo shows a colorful structure built from Lego bricks, resembling a castle tower or battlement.</p>
<p><u>Salt Tray Letter Practice-</u></p> <p>Fill a tray with salt and practice writing the letters of your name and copying the letters of the alphabet in the salt.</p>  <p>The image shows three photos related to salt tray letter practice. The top photo shows a hand writing the letter 'T' in a green tray filled with salt. The bottom left photo shows a child writing in a purple tray. The bottom right photo shows a child writing in a pink tray. The text 'Salt Tray Letter Practice' is overlaid on the images, and 'Preschool' is written in the bottom left corner.</p>	<p><u>Number Bowling-</u></p> <p>Create your own pins with bottles/containers/cardboard boxes and write numbers on them. Use a ball to knock them down and count how many toppled pins.</p>  <p>The image shows a number bowling setup on a wooden floor. There are several blue and white containers with numbers written on them: 7, 4, 2, 1, 3, 0. A yellow ball with a smiley face is positioned to knock them down.</p>	<p><u>Treasure Hunt-</u></p> <p>Create a treasure hunt for someone to complete with clues that will lead them round the house/garden to a final destination.</p>  <p>The image shows two children outdoors, looking at a map or a set of clues for a treasure hunt.</p>

<b>Literacy</b>	<b>Numeracy</b>	<b>Expressive Arts/STEM</b>
-----------------	-----------------	-----------------------------

Lego Characters Story Writing-

Tell a story about these three people.

Either tell the story out loud to an adult, film yourself telling the story or write the story down.

- What are the characters names?
- What jobs do you think they do?
- What are they talking about?
- What happens next?

**Numeracy**

Fill in the Missing Numbers 1-20 - Six Numbers Missing  
Count and write the numbers in order in the boxes.

1	2		4	5
	7	8		10
11		13		15
	17	18	19	20

Fill in the missing number-

Ask an adult to create a number grid with missing numbers. See if you can spot the missing number and fill it in on your grid.

**Expressive Arts/STEM**

Junk model bridge

Gather recyclable items and build your own bridge e.g. cereal boxes and kitchen roll tubes.

Can it stand on its own?

Can you balance an object/toy on it?

Can you use a toy to cross from one side to the other?

For additional activities:

Oxford Owls have a library of free books: <https://www.oxfordowl.co.uk/>

Free audiobooks for children: <https://www.storynory.com/>

Lots of free maths games: <https://www.topmarks.co.uk/>

Daily lessons in literacy, numeracy and health and wellbeing: <https://www.bbc.co.uk/bitesize>

Learn, create and play through exploring Scotland's history and heritage: <https://www.historicenvironment.scot/learn/>

## P.E Challenge Grid

<p>Visit BBC Let's Get Active! Click on one of the videos to work on a skill you have learned in P.E. <a href="https://www.bbc.co.uk/teach/class-clips-video/physical-education-ks1-ks2-lets-get-active/z72yjhw">https://www.bbc.co.uk/teach/class-clips-video/physical-education-ks1-ks2-lets-get-active/z72yjhw</a></p>  <p>Physical Education KS1 / KS2: Hybrid Sports - Attacking and Defending Take part in a fun combination of games and learn attacking and defending tactics.</p>	<p>Go outside and play on your bike / skateboard / roller skates / scooter. You could even play a game in the garden or outdoor area. Football, basketball, tig etc. As long as you're outside getting active!</p> 
<p>Make up your own game or sport. A personal favourite of mine is trying to see how many socks I can 'score' into the washing basket. You may also want to play 'tin can' bowling. Get creative. Take photos / videos of your game.</p> 	<p>Go for a walk with your family. Spend some time together outside. Take photos of some of the sights / wildlife you see. Be the outdoor photographer for the day. Your phones / fitbits / step trackers will count the number of steps you did. Share them on Teams!</p>
