

Design a Banknote

£1,000,000 of cash in £20 notes would not fit in a briefcase as some films might have you believe.

Before a new banknote is released, there is a two month public nomination period to determine who should appear on it. The people who appear on British banknotes are people who have helped to shape British thought, innovation, leadership, values and society.

Who would you nominate to appear on a British banknote? Design your own new banknote here:

Example:

You could also try to find out:

- how tall a pile of £20 notes totalling £1,000,000 would be;
- how long the line of £1,000,000 in £20 notes would be if they were placed end to end.
