Care Inspectorate Inspection Report

Hillbank ECC was recently inspected by the Care Inspectorate. Inspectors use quality frameworks to evaluate the quality of care during inspections and improvement planning. This was a positive experience for all the staff and children. The report can be accessed on Hillbank ECC Glow page or if you would like to read a printed copy please just let us know. A big thank you to everyone that completed the parental questionnaires .

Northwest Food Larder

As part of Rights Respecting Schools we are focusing on **Article 27 (You have the right to food)** Thank you for all the donations we have received. We will continue to gather donations monthly to take to the local food larder such as tins, dried pasta, condiments, crackers etc . The basket for donations will be at the front door if you have anything you wish to donate.

Stay and Play sessions

At Hillbank ECC we want to work in partnership with all our parents and carers and to feel welcome and included in the centre as we know how beneficial this is for all our children. To embed this we will host Stay and Play sessions throughout the year, this is a great opportunity to come in, see and take part in play and learning experiences with the children. We will host these twice a week to try and accommodate children's attendance patterns. Please come along if you can.

Right of the month

As you may be aware we are a Rights Respecting School and are on the journey for reaccreditation. As part of that journey we focus on one right per month and this month it is the right to rest and play.
