

Primary 4 Term 2

Dear Parent/Carer,
Term 2 already! Time really does fly doesn't it.
The children have been looking at being kind to each other and developing positive relationships within the class. We often talk about having a 'big feeling' and ways in which to cope with these. This is closely linked to the whole school initiative 'The Chimp Paradox'. The children will be getting to know their 'inner chimp' and what triggers they themselves may have.

Curriculum

P4 gym days are a **Tuesday** and **Thursday**. Please ensure all children have PE kit to change into.

This term P4 will be learning Football skills (Mrs Worton) and Gymnastics (Mrs Grainger).

In Science P4 will be exploring electricity with Mrs Grainger. We will also continue with our current topic, Titanic and our class novel 'Kaspar Prince of Cats'.

“
Work hard,
be kind, and
amazing things
will happen.”

CONAN O'BRIEN

Parents

What P4 have to say about school life

- " I like learning about the Titanic."
- "I really like Maths, I like to partition."
- "I like the playground there's so much space!"
- "PE is my favourite, I like football skills."
- "I like the different activities."
- "I like learning new Number Talk strategies."
