n
l
y

Numeracy/Maths

Numeracy/Maths

Number Talks strategy: Making A Ten

We have been working on making equal
groups.

Pick one of the chilli challenges below:

Mild

Write down the different ways you can
make ten into equal groups.

Medium

Write down the different ways you can
make 16 into equal groups.

Spicy

Write down the different ways you can
make 24 into equal groups.

Important Information

P.E Days - Wednesday and Friday. Please remember kit and no earrings unless the
children can remove these themselves.
