

## P2 Homework

w.b: Monday 20<sup>th</sup> November 2023

### Literacy

- Please practise your bug club reading book. New books will be given out on Monday this week.
- Please practise 'ow' in your jotter and practise reading and writing the words in the list. You can use your jotter to practise writing these.
- Please really practise: this, that and then with, us, so, much and of. We are learning **or** and **old** this week. If you feel you have mastered these, you can move on.

### Numeracy

Have a go at the odd and even splat game found by following the link below:

<https://www.sheppardsoftware.com/math/early-math/odd-even-fruit-splat-game/>

### Other Curricular Areas

It's getting cold now. Why not choose your favourite book to read and cuddle up with a grown-up and your favourite teddy. Please complete a picture of the front cover of the book you chose. Paper provided in your pack.

### Things to Remember

- Hillhead HUG is on in the assembly hall between 2.30-3.30pm on Thursday (23<sup>rd</sup>). There will be various services there to offer advice or give information, swap shop, bikes for Christmas, tea, coffee and lots more. Would love to see you there.

### Additional Information

Log-ins and passwords for bug club were handed out last week. Your child can read their reading book, choose from other books to read and play literacy and numeracy games on here. Please let me know if there are any issues.

-Please keep homework folders in your bag every day as these are often used to practise sounds and common words.

\*please practise your sounds and common words at home every day. It really helps you to learn these.

Gym is on Wednesday and Thursday this week.
