

P1 Homework

Monday 25th March 2024

As it is a short school week next week, homework tasks will be reduced and are as follows:

- Reading: groups will continue with the same book as last week and a new one will be issued after the Easter Holiday.
- Please continue to practise all sounds down and common words.
- 'ee' activity sheet
- Create your own number lines to 20 – can someone give you some calculations such as $4 + 4$, $10 + 2$ etc to complete using your number line.
- Complete the Easter egg colouring sheet.

Enjoy your holiday when it comes, everyone!

Mr Gardiner
