

Primary 2/3

w.b. 15th April 2024

Welcome
back!

I hope you all had a relaxing break with loved ones and managed to get out and about despite all the rain!

We have a busy term ahead - look out for the Term 4 newsletter coming soon!

Bug Club

We have been practising logging in to Bug Club in class. Remember to contact me on:

Louise.kerr@eastaysrhire.org.uk if you have any difficulties logging in at home. Please read 3x per week - this can be on Bug Club or any other reading opportunity.

Spelling

This week, our phoneme is 'i-e' as in five. Write down 4 'i-e' words and then write a sentence for each.

New Maths Topic

We will be moving on to our topic of 2D shape and 3D objects this week. Have a look around the house and take note of some shapes you see.
