

Primary 2/3

w.b. 29th April 2024

Reminder

We will be starting to prepare for our class assembly this week. It will be all about the Rainforest. We will be making rain makers - if you have any kitchen roll tubes, please send them in to school. 😊

Bug Club

We have been practising logging in to Bug Club in class. Remember to contact me on:

Louise.kerr@eastayrs-hire.org.uk if you have any difficulties logging in at home. Please read 3x per week - this can be on Bug Club or any other reading opportunity.

Spelling

This week, our phoneme is 'a-e' as in cake. Take note of some of our 'a-e' words using rainbow writing. Feel free to take some pens home from school.

Measure - Maths Topic

We are starting our 'Measure' topic this week in Maths. We will be using non-standard units to measure a variety of items. Measure two items in your home using your hands as a measuring tool!
