2. **ABC Order** - write your words out first in a list, then write them again in alphabetical order.
3. **Pyramid Writing** - write your words in a pyramid.
4. **Bubble Writing** - write your words in bubble writing. You may then colour them in if you wish.
5. **Colour the Vowels** - write out your spelling words, using a colour for each vowel.
6. **Circle the Consonants** - write out your spelling word and circle all the consonants.
7. **Spell-er-size** - Pretend you are a cheerleader and call out the letters of your words! Cheer up high for letters that touch the top handwriting line (e.g. t and l), hands on hips for middle letters (e.g. a and e), and cheer down low for low letters (e.g. y and j).
8. **Sentences Please** - write a sentence using each of your spelling words.
9. **Across and Down** - Write your spelling words horizontally, then vertically using the same first letter.
10. **Spelling Addition** - write out the spelling words then add them up - 10 for a vowel and 5 for a consonant. What is the total number?
11. **3d Words** - use playdough or plasticine to form your spelling words, or use something else to make them, like pasta or lego. Make sure an adult checks your spelling words.
