

# Primary 1/2 Term 2 Newsletter

Welcome to Primary 1/2s second newsletter. We are all looking forward to having a successful second term, we will be gearing up for Christmas with nativity practices, class crafts and our school show.

## *\*Gym times\**

Gym days for the class are on Wednesdays and Thursdays.

## Literacy

We will be continuing to explore initial sounds that go with letters, we will be starting to blend simple words together using the sounds that we have been taught in class. The class will be exploring writing in more depth by beginning to write a simple sentence making sure we include a capital letter, finger spaces and a full stop. We will be starting reading in the coming weeks using Bug Club as our resource.

## Numeracy

We will be learning the names and features of basic 3D shapes along with whether they can stack, roll or slide. We will be continuing to explore numbers by looking at the number before and the number after and completing simple number problems. The class will also be exploring number positions by completing activities to see who finishes first, second and third.

## Topic

Our topic for the second term of school will be Weather. We have completed an activity to see what the class already knows and what they want to know. This will base the classes learning going forward to answer the learning questions created during the activity.

## Nativity

Primaries 1, 2 and 3 will all be taking part in our nativity this year. Practices have already started and homework will be sent home for those who have speaking parts.

## Important Information

Could all parents ensure that all items of clothing has the pupils name on the label to ensure safe keeping.

'Nest starts with the sound n'.

Eva

'I know that apple starts with a'.
